Rhapsody in Gold

High school years are like a miscellaneous collection, a portion of an epic poem in each person's life bonded together with golden memories; a "Rhapsody in Gold". Like a musical work, memories are not the same; some are sweet, some are sour, but each with a thought of it's own.

Remembrances of school are more than just classes . . . a collection of expressions, of thoughts, ideas, the catalyst for maturity, for individuality, humanity . . . a golden rhapsody.

Orientation

Orientation is the first day of school for most students, but for some, school begins several days earlier. To be prepared for football season, cheerleaders practice most of the summer; football players begin practice several weeks prior to opening day.

This year orientation was divided into two days; the first, August 26, for sophomores only; the second, August 27, for juniors and seniors. Student Council members and faculty helped in orientation proceedings by processing student fees and handing out receipts. An assembly was given both days with Mr. Wilkins and Mr. Bolin speaking.

Football boys are dressed appropriately for practice before the formal start of school.

Students wait impatiently for the opening of the doors on the first day of school.

Ready to begin school, students fill the lobby.

Varsity cheerleaders practice their prize-winning style that took the Grand Championship at Manhattan over the summer.

Mr. Worley enrolls apprehensive sophomores.

Vickie O'Neal, Student Council member, looks up receipts for sophomores.

Juniors await receipts from Mr. Shoemaker.

Administration

School Board

The school board for the Turner School District No. 202 consists of seven representatives. This board has the final authority on any issue brought to them by the superintendent or other qualified persons in the district. They act as an advisory committee to the superintendent, Mr. Wallace Smith. Mr. Smith has been in the Turner district for 36 years, having been the former principal of Turner Grade School and the business manager for the district.

This year brings another new face to the No. 202 district, Mr. Carl Hendon, assistant superintendent of schools. His main responsibility deals with the areas of personnel and curriculum development, as well as being secretary and clerk at the board meetings.

Superintendent Wallace Smith

Assistant Superintendent Carl Hendon

The School Board members are: Mr. Carl Hendon, Mr. Dudley Potter, Mr. James Stirling, Mr. Harold Cook, Dr. A. A. Gentry, Mr. Fred Rosenau, Mr. John Wilson, Dr. Jack Haden, and Mr. Wallace Smith.

Administration

This year Turner acquired a new principal, Mr. Robert A. Wilkins, former Pierson principal. Along with his experience at the junior high school, Mr. Wilkins has brought some new ideas. The school, he feels, should not be based on a lot of rules and regulations, but rather on the individual's merit and progress.

This is Mr. Bolin's second year as vice principal after having been a drafting teacher at Turner for 17 years. Mr. Bolin also feels that rules are not of prime importance, but rather it is the individual who needs to be guided and directed according to his own needs and wants.

Mr. Wilkins talks to a student during the lunch hour.

Mr. Bolin takes care of one of his many responsibilities.

Mrs. Iona Carmichael

Mrs. Eileen Taylor

Mrs. Rosie Thomas

Nurse

Mrs. Creek, who has been at Turner for four years, is well known to many students. Not only is she the nurse for the Turner Unified School District. As coordinator she is in charge of the other school nurses in the district, and of taking care of supplies and reports. She also actively sponsors the Health Careers Club.

Secretaries

Among the many respected personnel at Turner are the secretaries in the office. These ladies assist the Principal, Vice-Principal, and teachers at Turner. It is their job to keep records, answer telephones, keep attendance and many other tasks that are required of them.

Mrs. Vivian Lewman

Mrs. Pauline Creek

Front row: Troy Bird, Bill Allison, Bob Hess, Al Wilcox. Second row: Bill Bent, Jesse Johnson, Charlie Clemmens.

Personnel

The cooks at Turner High School have a big job. They must prepare lunch for the majority of the Turner students. These meals are filling as well as nourishing and appreciated by the students.

The custodians at Turner are in charge of keeping the school in running condition. They must keep the heating and plumbing working so that school may carry on as usual. In case of emergencies they are invaluable and do many odd jobs that are asked of them by faculty and administration.

Mrs. Jean Yonts manages the cash register in the cafeteria.

Front row: Mrs. Chessy Evans, Mrs. Rose Lust, Mrs. Gertrude Mitter, Mrs. Louise Reimer, Mrs. Margaret Trowbridge, Mrs. Lucille Bloodgood. Second row: Mrs. Margaret Lohrey, Mrs. Jerry Normile, Mrs. Jean Yonts, Mrs. Marie Numer.

Counselors

Students at Turner have three fine counselors to help them with their transferal and graduation problems.

Miss Mildred Cunningham, senior counselor, is doing an excellent job of getting college-bound seniors to the university of their choice. Mr. Roy Kleindolph and Miss Nancy Oyler help the under-classmen with class changes.

Librarians

Turner's librarians, Miss Keitha Peterson and Mrs. Betty Bukeley, have again worked diligently to make our library what it is today, a storehouse of knowledge. Magazines, filmstrips, newspapers, and records really help in the running of our fine library.

Miss Keitha Peterson and Mrs. Betty Bulkeley

Alright! Alright! The installment plan's okay!

Math

Beginning mathematicians at Turner High School are introduced to the language of mathematics in Algebra I and secondary math, while middleclassmen learn to think logically in geometry and apply their newly acquired skill in algebra II. Advanced students become fluent in the language of mathematics through modern introductory analysis and business math.

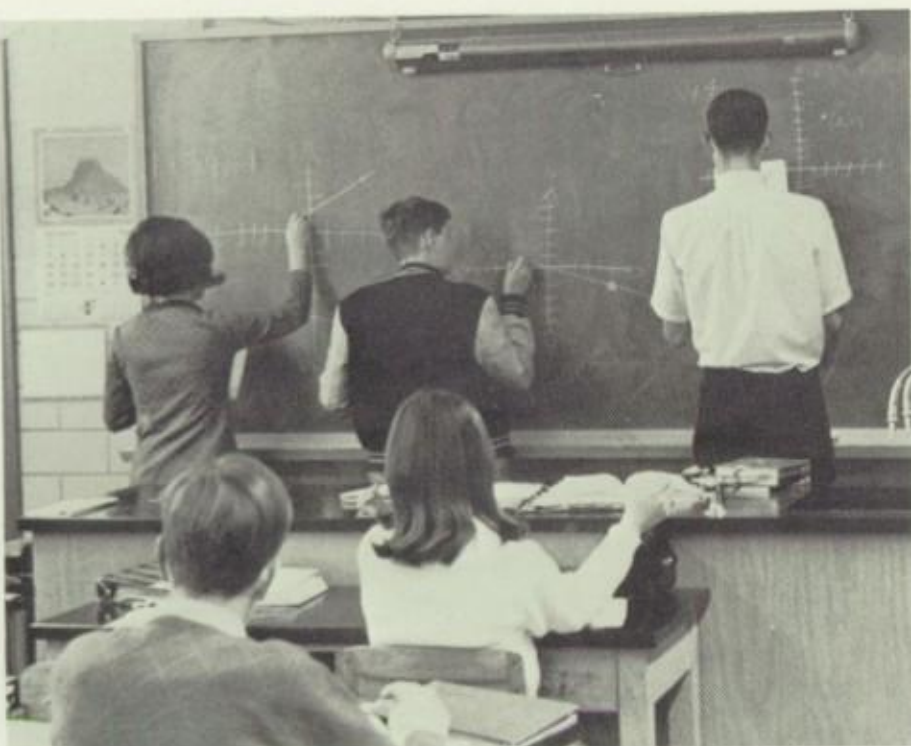

Teachers:

Miss Shirley Coffin—geometry, algebra I

Mr. Burley Martin—algebra I and II

Mr. David McDonald—business, secondary math

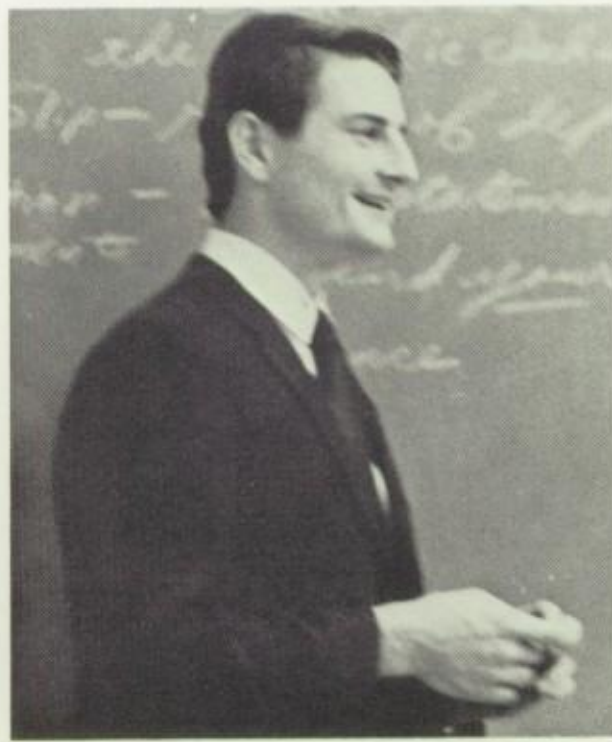

Mr. Hubert Waugh—modern introductory analysis, calculus

Algebra II students work axis problems.

Science

All students at Turner High School are required to enroll in one of the four Lab Sciences offered before they can graduate.

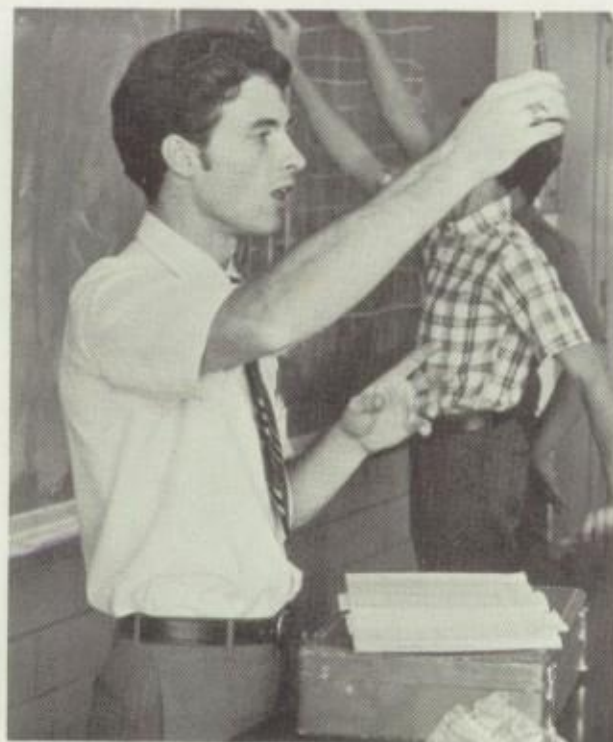

Biology students find themselves in a self-advancement program studying the science of life.

The Chemistry students search in nature for regularities which will result in the ability to predict.

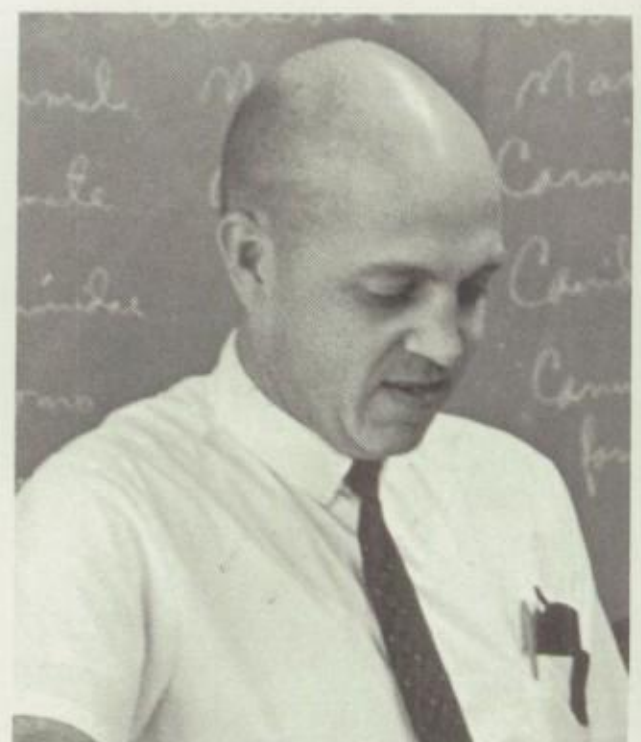

Contrasting the smallest atom to the universe, with an emphasis on energy and matter, enables Physics students to understand the physical world in which they live. It was stated that more students should take physics to gain a better understanding of the world and its problems.

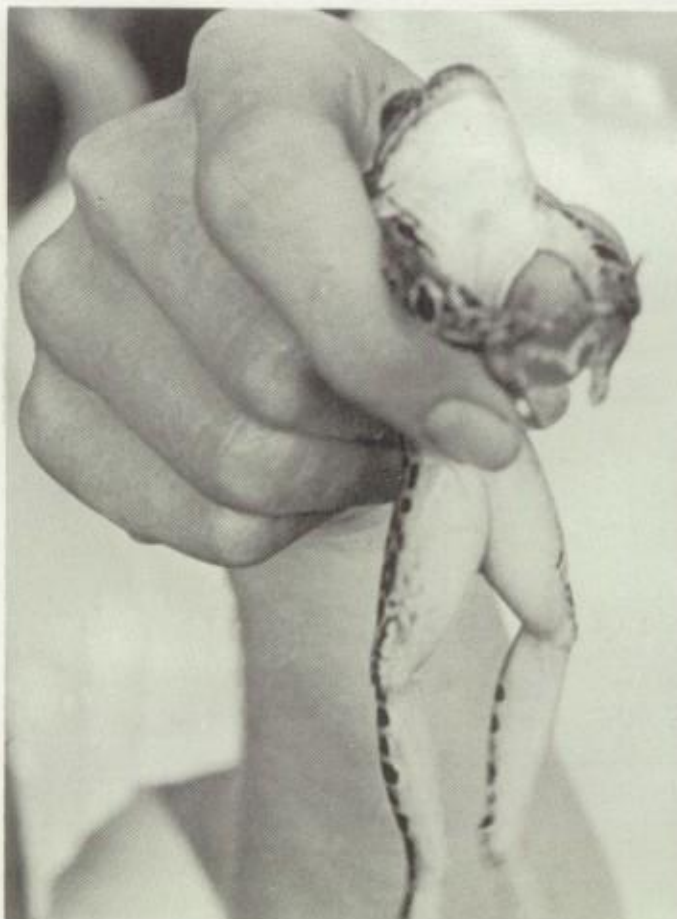

Mr. Arnold Voth

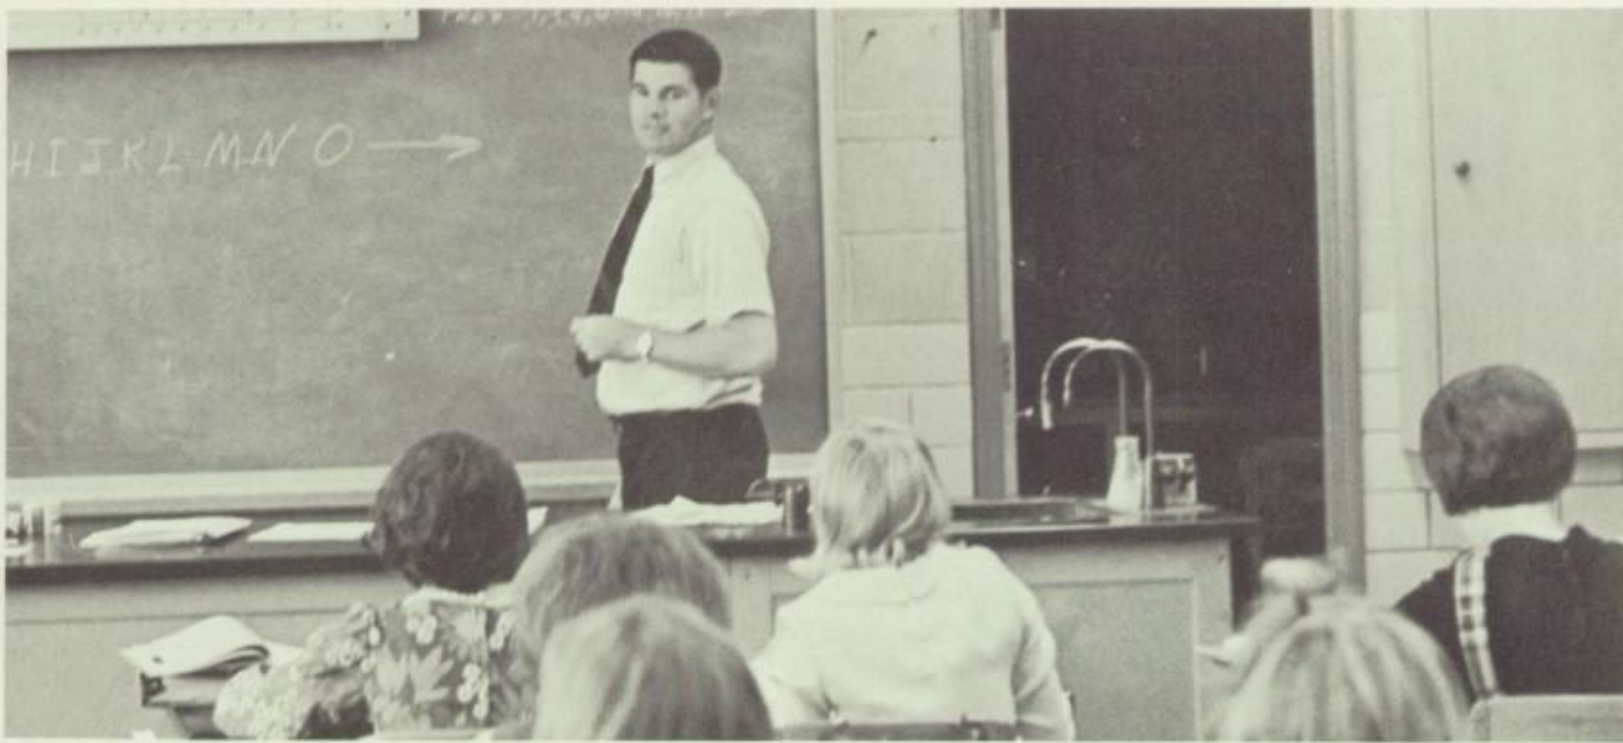

Mr. Albert Frisby

Mr. Lloyd Fugate

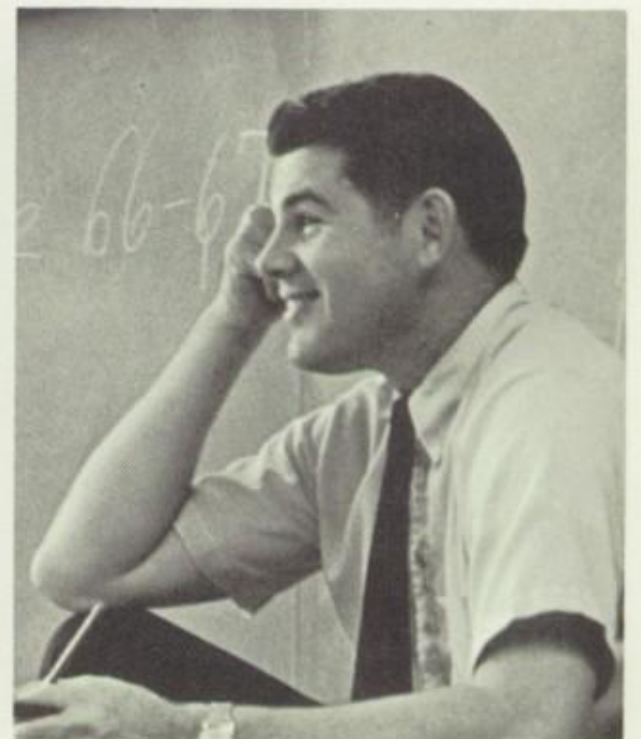

Mrs. Judith Roberts

Mr. Burley Martin

Mr. Bruce Bowman

Most of the science teachers agreed that English and mathematics are the most important subjects in high school because they teach a person how to better communicate with others. Mathematics could even be called a universal language.

The science teachers are: Mr. Burley Martin—Physics
Mr. Bruce Bowman—
Chemistry
Mr. Lloyd Fugate—Biology
Mrs. Judith Roberts—Biology
Mr. Arnold Voth—Biology
Mr. Albert Frisby—Biology

English

High school English is designed to teach clear, precise communication skills through composition, vocabulary, examples of good literature, and class discussion. In Journalism I, students learn compact, concise ways in which to report, and in Journalism II, they use their skill to publish the BOOSTER, Turner High School's newspaper. Speech and drama teach communication through body gestures and facial expressions as well as through speaking, while stagecraft students learn the practical aspects of producing a play. Students enrolled in humanities study culture, art, and literature to better understand all peoples of the world. (Continued on page 20.)

Foreign Language

Learning a foreign language provides a new scale of communication and gives a cultural background for world understanding. In this time for wider communications and travel the need for a better knowledge of foreign languages is essential.

Turner offers three foreign languages: Spanish, French, and Latin. Students not only learn about the speaking and structure of the language, but about the history and people of that country.

Miss Margaret Leatherberry has been the head of the department for 21 years.

Home Economics

Turner offers a well rounded course in Home Economics. This is important as it exposes girls to all areas of homemaking which they will someday need. They are educated in other areas of living, and education in home economics is one they need for maintaining a home and family.

Girls may choose courses in Clothing I and II, Foods I and II, and Homeliving. In these courses they learn about sewing, cooking, meal planning, interior decorating, and home management.

Miss Rosemary Grosdidier is head of the Home Economics Department.

Commerce

After graduation many students will go out into the world of business with its demanding efficiency. All students, including those who are college bound, need some business education to compete in the world. Typewriters click as students in Typing I and II strive for dexterity. Young executives master basic techniques and factual information in business law and communications while the world of dollars and cents, shorthand, and accounting are analyzed.

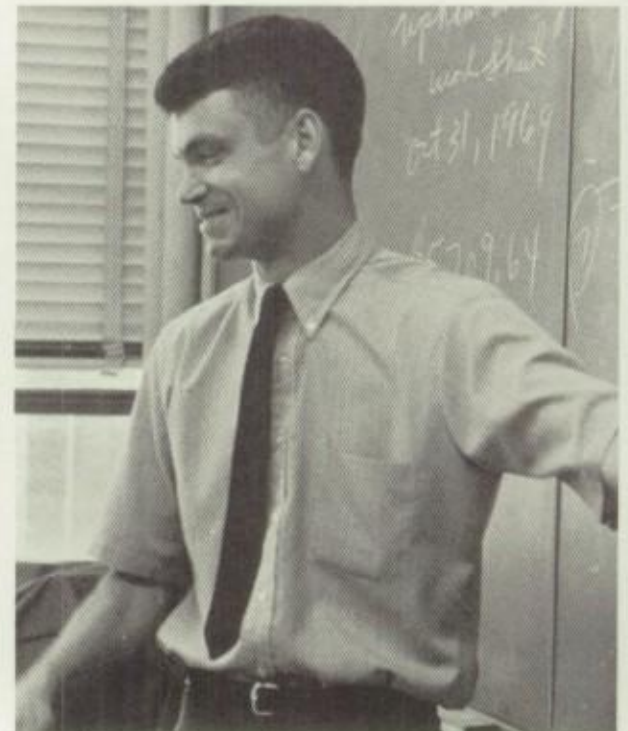

To those nearing completion of secretarial preparation, the office practice class provides the finishing touches for the management of a business office.

Industrial Arts

The Industrial Arts Department endeavored this year to teach students skills which would be useful to them. The purpose of industrial arts is to give valuable training to boys who are interested in the industrial field as a possible vocation or as a hobby.

Turner has a well-equipped shop area which gives students an opportunity to work with up-to-date machinery and gain actual experience through their work. Students and teachers alike realize when the car starts, the printing press clicks, the radio works, and the finished coffee table gleams, that a skill has truly been acquired.

Art Club is a club of fun, work, and mischief. This club does not only consist of art class members, but of any student interested in a wonderful time. The people in art club do not necessarily have to be in the field of art. There are many activities which take no talent at all. The club sponsor is Miss Elizabeth Choplin.

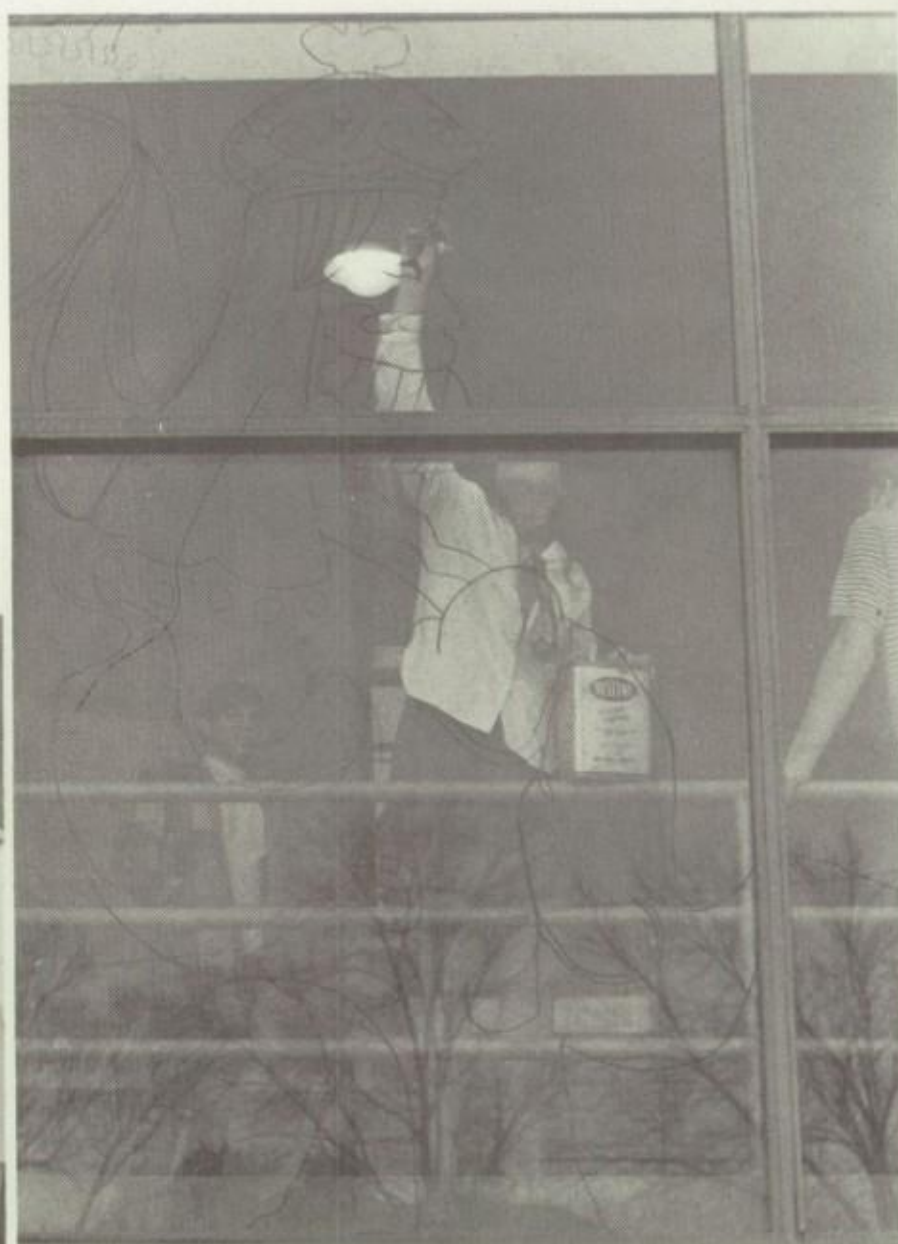

There is a lot of competition in this club. They compete with the art classes for the decoration of the Christmas window. They have a rivalry within their club, because of a point system. Decorations for the Turnerite Royalty Ball, and for the musical were also projects of Art Club.

The club members meet on alternating Thursdays and after school.

Officers are: Vicki McClintic, President; Bob Merrell, Secretary; Judee Laningham, Vice-President; and Diane Gamble, Point Secretary.

Art Club

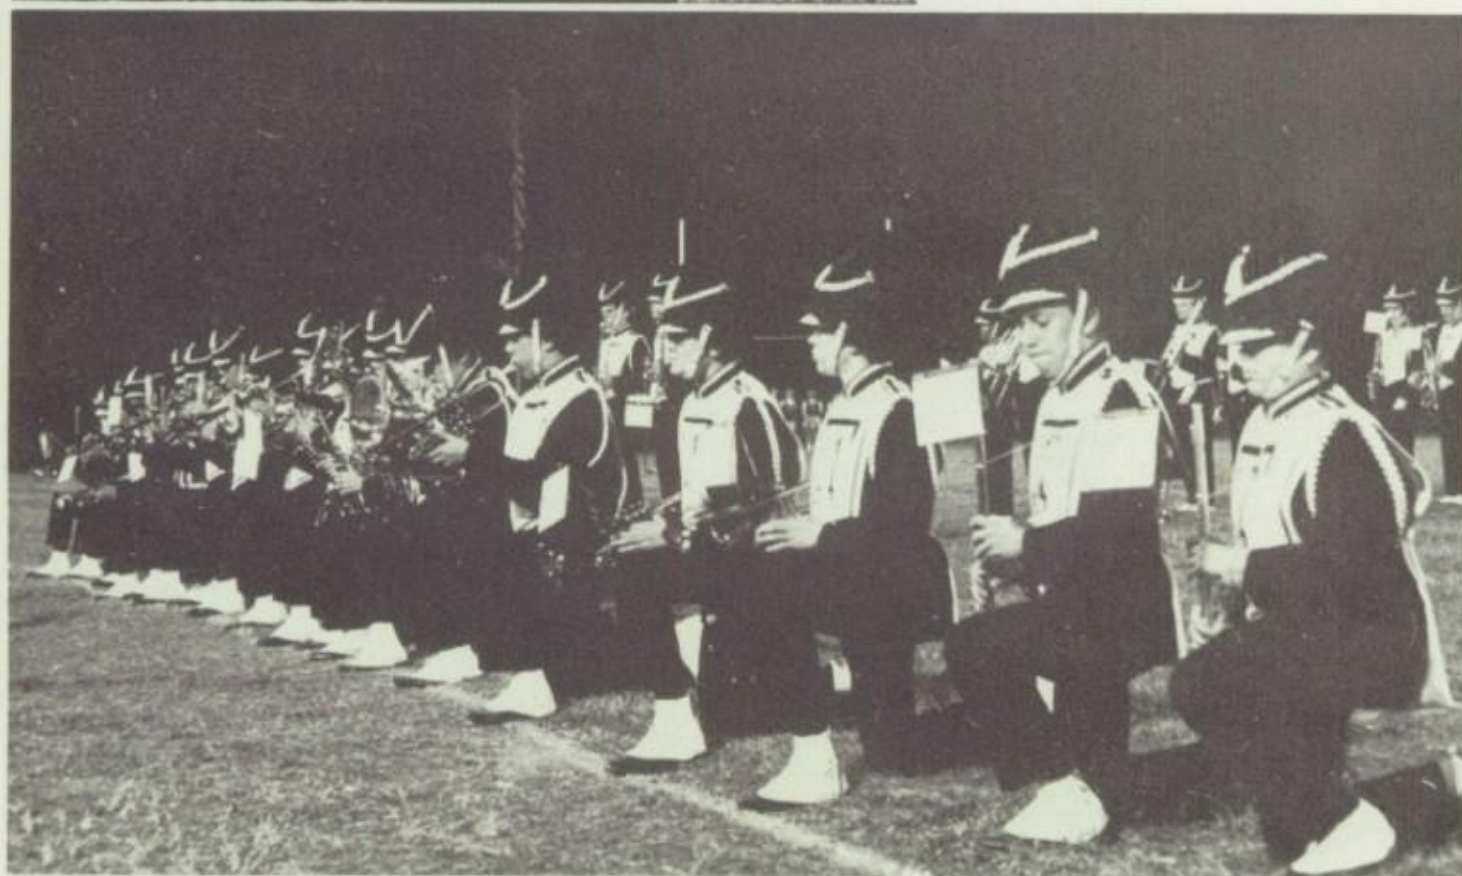

During the football season the band students work every day to put on a successful show. In the mornings, they get their instruments out of the cabinets, warm up; then out to the cold weather they go to march. On the field all band members attentively watch Mr. Hamilton.

Marching Band

Turner High School's Golden Bears Marching Band finished a full season of successful performances. Besides preparing shows for five home football games the band attended two invitational Band Days. One was held at Emporia on October 11, and the other at K.U. on November 1. They held a paper sale to purchase a tape recorder on November 25. They presented a short concert for Turner's annual Open House.

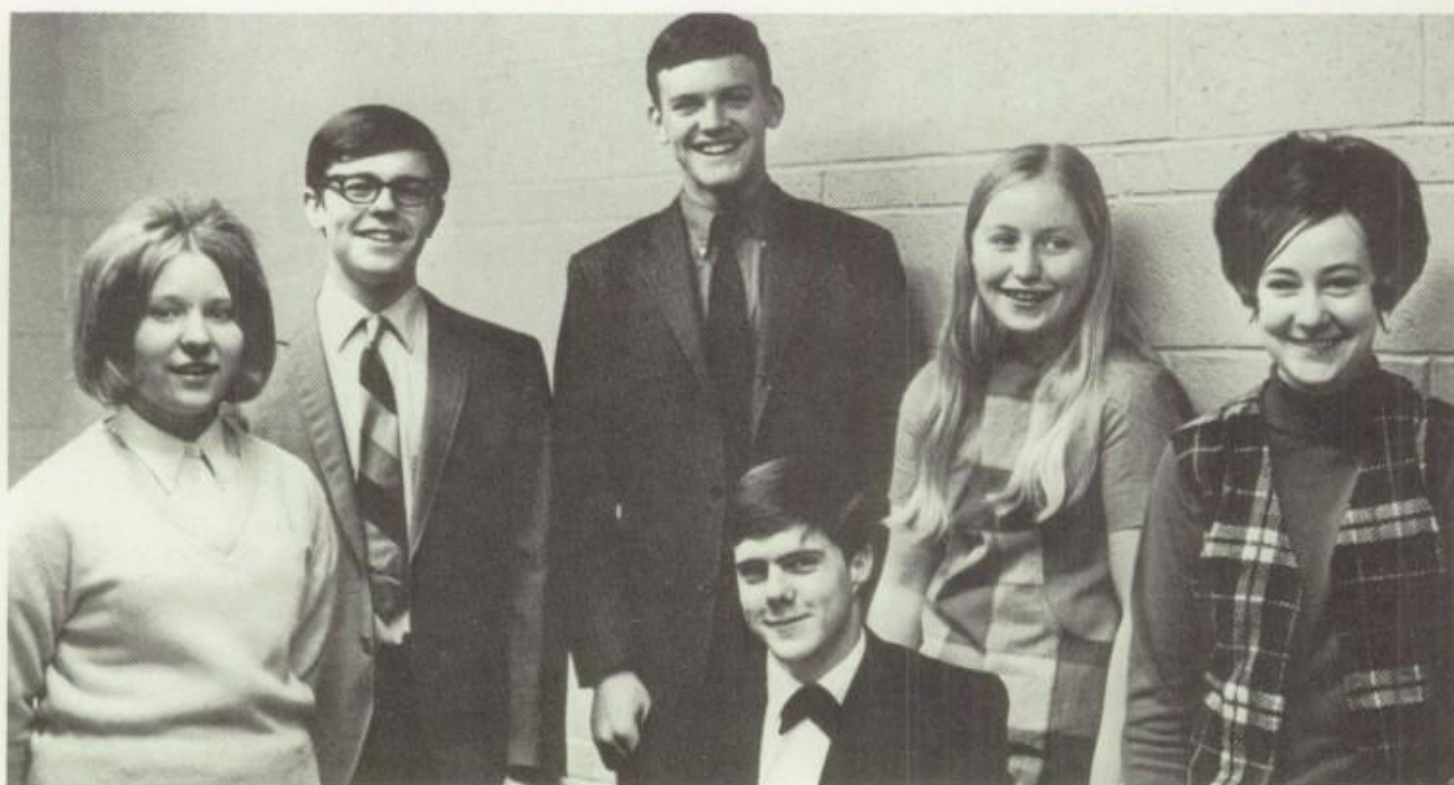

The end result of all this preparation is a fine half-time show.

The Band members seated on the first row are: M. Neighbors, E. May, M. Bell, S. Sterner. Second row: L. Lawhorn, J. Johnson, T. Penniston, B. Turner, K. Barlow, E. Backhus, V. Greenwood, J. Kissell. The members of Brass Sextet are Leslie Dobbins, Tom Barnett, Dick Reaka, Marion Hill, Bill Collins, and Paul Ulasien.

With an enrollment of 80, Turner High School's Concert Band finished it's season with more performances of a higher caliber than any season in the school's history.

Under the direction of Mr. Wayne Hamilton, the band presented a "Christmas Concert", December 16. The annual "Band-O-Rama" was held February 26, when the band presented a 30 minute concert with both junior high bands presenting a 15 minute program each. The finale of the evening was a number played by all bands "en masse".

On March 2, the band hosted the annual E.K.L. Mass Band Festival to which all high school bands in the East Kansas League were invited. All participating bands were joined under one director. The Spring Concert was presented in May. The band also participated in the State Music Festival, April 3-4.

Turner's pep band tunes up for a pep assembly.

Band

The Drum Major is Paul Ulasien.

The Majorettes are Karen Saunders and Debbie Johnson.

The BOOSTER staff consists of: D. Fitch, M. Holenbeck, Mrs. Callahan, T. McDaniel, S. McBride, B. Edwards, S. Kendall, D. Burnett, P. Clayborn, M. Petty, B. Gladieux, P. Martin, J. Luth, C. Steineger.

Toni McDaniel, Editor, and Mrs. Callahan, Advisor, meet the problems concerning the BOOSTER.

Booster Staff

The BOOSTER staff, with the purpose of publishing a paper every other week, consisted of eight senior girls, two junior girls, five junior boys, and one sponsor, Mrs. Callahan.

The staff worked first hour every day and, when deadlines were near, there was someone working almost every hour and after school in order to get the paper to the student body on schedule. Since publication of the paper required a full ten days, the staff was continually working on one of the 16 issues. However, through the efforts of staff members and cooperative teachers who allowed students to leave classes, most deadlines were met.

The special Christmas issue was the first paper in two years to have eight pages, and the first in the history of the school to have color pictures.

Besides putting out the paper, the staff found time to sponsor the KUDL disc jockey-faculty game.

The Choir members are—Front row: P. Wallace, T. Higgins, N. Long, B. Matney, R. Clements, A. Roberts, S. DeBaun, B. Johnson, B. Zuck, V. Clawson, D. Sturgen, D. Goalder. Second row: P. VanSant, T. Worthington, N. Allen, D. Jones.

Choir

Choir consists of 51 members whose musical interests exceed singing in the Glee Clubs. Each must have good vocal timbre and the ability to sight read. One year of Glee Club is needed in order to be eligible.

This organization, under the leadership of Mr. Klaassen, performs for many school functions. On December 22, 1969, the Choir blended their voices together to produce a very fine Christmas assembly. A spring assembly was given and parts of the Choir journeyed to Lawrence for the State Music Festival, April 3 & 4. Many fine solos were presented there.

Aside from the main Choir, smaller groups of girls and boys in trios and quartets were formed to give more people a chance to perform.

This is Mr. Klaassen's first year at Turner and it proved very worthwhile to him. He helped stage the production of *THE FANTASTIKS* with Mr. Wallace, which appeared February 19 & 21.

The girls double-trio was formed for the first time this year. The members were: B. Johnson, S. DeBaun, D. Page, A. Roberts, D. Rohrbach, T. Higgins. The accompanists were N. Allen and D. Page.

The Choir officers of 1969-1970 were: Betty Richards, Treasurer; Sue Palmer, Vice-President; Tim Worthington, President; Barb Zuck, Secretary.

Mr. Klaassen, a man for all seasons, helps his music students with their problems.

Choir students during a practice can often be seen singing their hearts out. This particular afternoon the group practiced a popular piece, "Windy".

The Chorale

Chorale consists of 20 members and is another group under the direction of Mr. Klaassen. To be eligible for Chorale, a student must be part of the Choir, have the ability of reading music and be dependable.

This group, because of its smallness, is able to sing at various organizations. Before Christmas they sang for a women's luncheon at the Parish House in Argentine and the following day sang at the Methodist Church.

Besides having members participating in the musical, the Chorale performs for other civic events in the area. A spring concert is given and the Chorale travels to Lawrence for the State Music Festival, April 3 & 4.

Betty Richards has been the accompanist for the Choir and Chorale for two years. In addition to this she was the head pianist for two musicals, SOUND OF MUSIC and THE FANTASTIKS.

Front row: P. Wallace, P. Stirling, S. Waugh, P. Shackelford, A. Jones, B. Richards, S. Palmer, L. Wyrick, V. Clawson, B. Zuck. Second row: M. Bryant, K. Hibbs, G. Ricky, R. Kent, M. Tice, G. Bray, H. Eden, T. Worthington.

The members of French Club are—Seated: D. Lewis, C. Ray, J. Southern, B. Moats, C. Powell, C. Myers, B. Billings, C. Jacobson, L. Hall, C. Steineger, M. Neighbors, J. Littlefield, B. Gordon, A. Jones, P. Bradford, S. Palmer, T. Kovich, D. Rohrbach, R. Kelley, R. Kent. Standing: Miss Leatherberry, L. Lawhorn, N. Allen, M. Hill, S. Benton, J. James.

French Club

Le Cercle Francais, or French Club, endeavors to cultivate an interest and appreciation for the people, language, and customs of France among students who have had or are taking their third or fourth year of high school French.

The most spectacular event of the year is the annual Christmas party, La Fête des Rois, which is held on January 6; the anniversary of the wise men's arrival in Bethlehem. Other activities include a spring picnic, exchanging letters with a cast from Paris, and a trip to the Nelson Art Gallery to see the world famous display commemorating the birth of Napoleon 200 years ago.

Miss Margaret Leatherberry has been the sponsor of La Cercle Francais for many years.

F.T.A.

Future Teachers of America, more commonly known as F.T.A., is an organization designed for students who are interested in finding out about the opportunities that are available to them in the teaching profession.

The club is composed of eighty members: 26 seniors, 14 juniors, and 40 sophomores. The sponsors are Mr. Charles Carpenter, an English teacher, and Mrs. Cheryl Osborn, a Spanish and Clothing teacher. The newly elected officers for this year are: Hal Eden, President; Cindy Steineger, Vice-President; Pam Wallace, Secretary; Carla Powell, Treasurer; Sally Waugh, Editor; and Teri Robertson, Historian.

The senior members will have an opportunity to visit the two junior high schools and the area grade schools to observe the teaching methods in elementary education. Also, the club will be traveling to different colleges, such as Emporia State Teacher's College, Kansas State College at Pittsburg, and Kansas University at Lawrence. The annual convention will again be held at K-State in the spring of 1970. These trips are to provide background material for students faced with the question of "Which College shall I attend upon graduation?"

The F.T.A. officers and sponsors are: P. Wallace, S. Waugh, Mrs. Osborn, Mr. Carpenter, H. Eden, C. Steineger, C. Powell, T. Robertson.

The officers of GAA are: Susie Kelley, Vice-President; Kathy Crabtree, Secretary & Treasurer; Joyce Cathy, Point Secretary; Vic McClintic, President.

G.A.A.

This organization is designed to teach girls good sportsmanship and to develop athletic skills. Mrs. Saul, sponsor, and the 40 GAA members enjoy every aspect of the sports involved, but the enjoyment is earned. Each girl must accumulate 100 points to be eligible for membership in GAA.

Points are earned the following ways:

10 points every Intramural attendance.

50 points for a semester of bowling on Wednesdays.

25 points for participating in a Sports Day.

When the required points are attained, the girls try out for membership.

Health Careers

The purpose of Health Careers in high school is to bring together young people interested in nursing and health, to share their interests, to explore opportunities and require-ments in these fields, to grow as individuals by working to-gether and to learn about the community life in which they soon will participate.

For Thanksgiving they made baskets of fruit and home-made cookies and candy to take to St. Rita's Home and the Wyandotte County Home.

They saw films, demonstrations, and had guest speak-ers throughout the year to learn more about Health Careers.

Their plans include a demonstration on self defense, Christmas caroling at Wyandotte County Home, a trip to Osawatomie Mental Hospital, attending an area tea, and, to wind up the year, they plan to have a picnic for the chil-dren at the Mennonite Home.

The officers of Health Careers are: Karen Shively, Vice-President; Carol Fry, Secretary; Patty Pres-ton, Treasurer; Sandy Johnson, President.

Officers are: Hal Eden, President; Sue Palmer, Vice-President, and Greg Bell, Secretary-Treasurer.

National Honor Society

National Honor Society consists of 15% of the Senior class and 5% of the junior class. Members of this group have leadership, a high character, good scholarship, and are in many school activities. Each spring 20% of the senior class and 10% of the junior class is nominated for Honor Society. At graduation seniors wear cords according to the number of years they have been members. Second year members wear black and gold ones while new members wear gold. The sponsors are Mr. Earle, Mrs. Osborn, and Mrs. Garton.

Officers are: Hal Eden, President; Sue Palmer, Vice-President; and Greg Bell, Secretary-Treasurer.

Industrial Education

The Industrial Education Club is an organization run primarily by the members with advice given by the sponsor on procedure and management. This club is ideal for the well-motivated industrial arts student, since it should prepare students for a career in related fields of wood, metal, and mechanics.

Unfortunately the membership is not always reliable, as shown by the rapid changes in executive offices. This vacillation does not reflect the sponsors' attitude because, as Mr. Bell stated, "the club is what the members make it."

This year's appointed sponsor for the second year is Mr. Don "Vette" Bell. The new co-sponsor is Mr. Charles L. Morgan.

The officers are: T. Ford, President; R. Murphy, Secretary-Treasurer; D. Walton, Sergeant of Arms; B. Humphreys, Vice-President.

The officers are: D. Mamie, L. Heriford, N. Smith, W. Taulbert, P. Matney, N. Long, P. Ferson, and Mrs. Gary, adviser.

J.C.L.

The Junior Classical League is an international organization designed to promote appreciation of Grecian and Roman culture.

The club, under the direction of Mrs. Lucy Grey, has taken the responsibility of sponsoring an underprivileged family of seven for Christmas.

The money received from selling Christmas candles will be used for sending four students to the national convention in New Orleans. On January 31, students go to the State Junior Classical League Convention at Hays, Kansas. The Roman dress feature of the year, where togas are worn by the girls and pallas by the boys, is held in April. The final affair of the year is a farewell for the seniors.

The Turner club's committees propose projects which are of value to the school and community and organize them when approved by the membership. This year besides presenting the Thanksgiving Assembly, seven leaders attended the Regional Conference at Olathe to gather new ideas while other delegates attended the State Conference. Also, the group plans to send four representatives to Leadership Camp this summer. The officers are Judy Luth, Mary Wilson, Theresa Heckman, Pat Martin, Diane Gamble.

Lit and Wit is the literary club at Turner High School which publishes the school magazine, LIT AND WIT. Entries in the magazine are created by Turner students. Lit and Wit accepts manuscripts in poetry, short stories, essays, and other creative literary works which are judged by the members on a point basis. Thirty-five to forty manuscripts which have received the highest point averages are published in the magazine. Art work is used to complement the creative writings. The sponsors of LIT AND WIT are Mrs. Elliott and Mrs. Bond. Officers are: Kathy Crabtree, Typing Chairman; Carla Powell, Secretary; Dennis Wilson, President; Billie Moats, Vice-President; Carol Myers, Treasurer; and Diane Arnold, Art Chairman.

Pep Club

The enthusiastic cheering of the energetic Pep Club members is perhaps the greatest inspiration Turner's athletes have. Traveling wherever the teams go, these 220 vivacious girls yell with the cheerleaders to encourage support among Turner spectators.

Charged with running the club smoothly are the officers: Susie Kelley, president; Barbara Zuck, vice-president; Vicki Siler, secretary-treasurer; Kathy Harding, program chairman; Vicki Wood, senior sergeant-at-arms; Joyce Cathey, junior sergeant-at-arms; and Laura Wheeler, sophomore sergeant-at-arms. Assisting them are faculty sponsors Mrs. Pat Heidler and Mrs. Mary Spitser.

The letter girls add a touch of zest to the club, and eight other seniors are also recognized for their dedicated attendance at games by membership in Honor Pep Club. Letter girls are: Beth Hope, Vicki Jacobs, Susie Kelley, Sue Palmer, Becky Smith, Judy Smith, Pam Wallace, and Barbara Zuck. Honor Pep Club members are: Peggy Collins, Laura Hall, Debbie Jones, Mary Neighbors, Teri Robertson, Barbara Roe, Lennie Stepaniak, and Vicki Wood.

This is a group of students who have expressed a deep desire to learn photography. They are taught the rudiments and finer points of photography by the photographers on the yearbook staff. Among other things they learn to develop film, make good prints, as well as what makes a good picture. Because of the expense of the material, dues are very high. However, the members feel they are amply repaid.

Well, here it is. The Darkroom.

This year the club plans to take field trips to K.U. and U.M.K.C., to tour their chemistry and biology departments, and to help Mr. Fugate and Mr. Voth with the nature trail. They also prepare for the annual science fair here in Kansas City.

One of the most hard-working and entertaining clubs of Turner High School is the Turner Association of Theatre Arts. Not only does the club provide entertainment, but teaches as well the merits of hard work and responsibility. In other words then, what's happening behind the scenes is as much if not more important as what's happening on the stage.

This club has been responsible for such productions as the suspenseful drama *WAIT UNTIL DARK*, the comedy *GEORGE WASHINGTON SLEPT HERE*, possibly the musical *THE FANTASTIKS*, and *MARY, MARY*.

Other activities and honors include: the choosing of Golden Mask members, children's theatre, reader's theatre, one-acts directed by students. This year officers are: Toni McDaniel, President; Cookie Burris, Vice-President; Becky Billings, Secretary & Treasurer.

T-Club

Turner High School's T-Club is a club for those athletes who have received one varsity letter or two junior varsity letters in one sport. A boy may also join the T-Club if he has received two manager's letters. To stay in T-Club the athlete or manager must continue his work in that sport.

The 25 members of T-Club meet on the first and third Tuesdays of the month, and more members are expected to join the group. These boys have many activities which include the sponsorship of one sophomore football game and the faculty-senior basketball game. They also enjoy the T-Club picnic in the spring. By raising money from the football and basketball games, they are able to send one boy to Boy's State and one boy to the Fellowship of Christian Athletes.

Stamp Club

The purpose of the Stamp Club is to promote an interest in stamp collecting and to encourage members to trade and buy stamps; improving and increasing the worth of their collections.

Stamps of foreign nobility and American leaders, famous times and places are pursued by philatelists throughout their entire lifetime. Discoveries have often proven profitable and interesting.

Miss Mildred Cunningham and the five members of Stamp Club find the activity of stamp collecting a fascinating one.

Stamp Club includes the following people: Bob Humphrey, Steve Sterner, Jon James, Steve Shirley, and Mike Gale.

These are just some of the stamps that are pursued by the members.

The TURNERITE

The 1969-1970 TURNERITE has been under construction since the end of the 1968-1969 school year. Construction came to a near standstill during the summer but is now in high gear. Many hours have been put into the book besides the time put into extracurricular activities connected with the TURNERITE. This is the first book to be published under the sponsorship of the art teacher, Miss Choplin.

The Turnerite Ball, featuring the Classmen, was sponsored by the yearbook staff. Its purpose was to announce the THS Royalty. The Ball was only one of the many activities which helped to make the 1969-1970 TURNERITE a different and unique yearbook which all Turner students should enjoy.

Besides the publication of the 1970 TURNERITE, the staff stressed much importance on making the Ball a success. After much debate the preparations for it began.

An assembly was given to advertise the dance and to announce the Royalty candidates. At the same time work began at a student's home on the huge fireplace. The great day appeared and the staff was faced with the many problems of putting the decorations together. While some students worked on scaffolds to put the colored paper over the lights, others worked on draping the doorways with crepe paper. Time for the dance came and everything was in readiness. The next day, taking only one-sixteenth of the time used in putting it up, everything came down.

Weather Club

The Weather Club was formed to interest students in making weather their career, and to show explicitly what weather and its function really is.

As in the past, they are hoping to provide weather reports for local newspapers and radio stations. The club is also active in working with the Wyandotte County Civil Defense, and was responsible for the "mock disaster" drill in the 1968-1969 year and hopefully again this year. The first project undertaken by the weather club this year was to make a unique weather display for the show case.

Meetings are held once a month, with officers Walter Krupco, President; Dan Kaiser, Vice-President; and Don Neff, Secretary; Helen Neff, Secretary.

Youth for Christ

The officers of Y.F.C. are: Becky Gordon, Secretary; Carol Vogts, President; Rosemary Burris, Vice-President; Mike Gale, Treasurer.

One of the most active clubs at Turner is Y.F.C. It is an international organization with members in forty-five countries around the world.

This year the sponsors were Miss Oyler, Miss Winters, and Mr. Klaassen. The Club director is Blaine Fye and the parent sponsor is Mrs. Jo Halbach.

In an attempt to become closer to Christ and closer to people, the club has daily prayer meetings, weekly meetings on Monday nights, Saturday night rallies, and Bible quiz contests between some 62 High Schools in the Kansas City Area.

This year Y.F.C. has had the added responsibility of putting on a musical, "Tell it Like it is", as well as the Christmas and Easter assembly.

The student body liked the musical, "Tell it Like it is" very much.

The members of Y.F.C. are—Front row: A. Jones, K. Crabtree, M. Bell, B. Matney, M. Moore, M. Pretch, C. Jacobson, D. Lawhorn, M. Gale. Second row: R. Burris, S. Hartzler, A. Garner, R. Little, P. Varsity Football

Turner High School's Varsity Bears finished the season with a 4-4-1 record. The Bears surprised everyone by coming so close to Junction City, the state champs. Another upset was the Washington game when the Bears toppled the Wildcats 22-0.

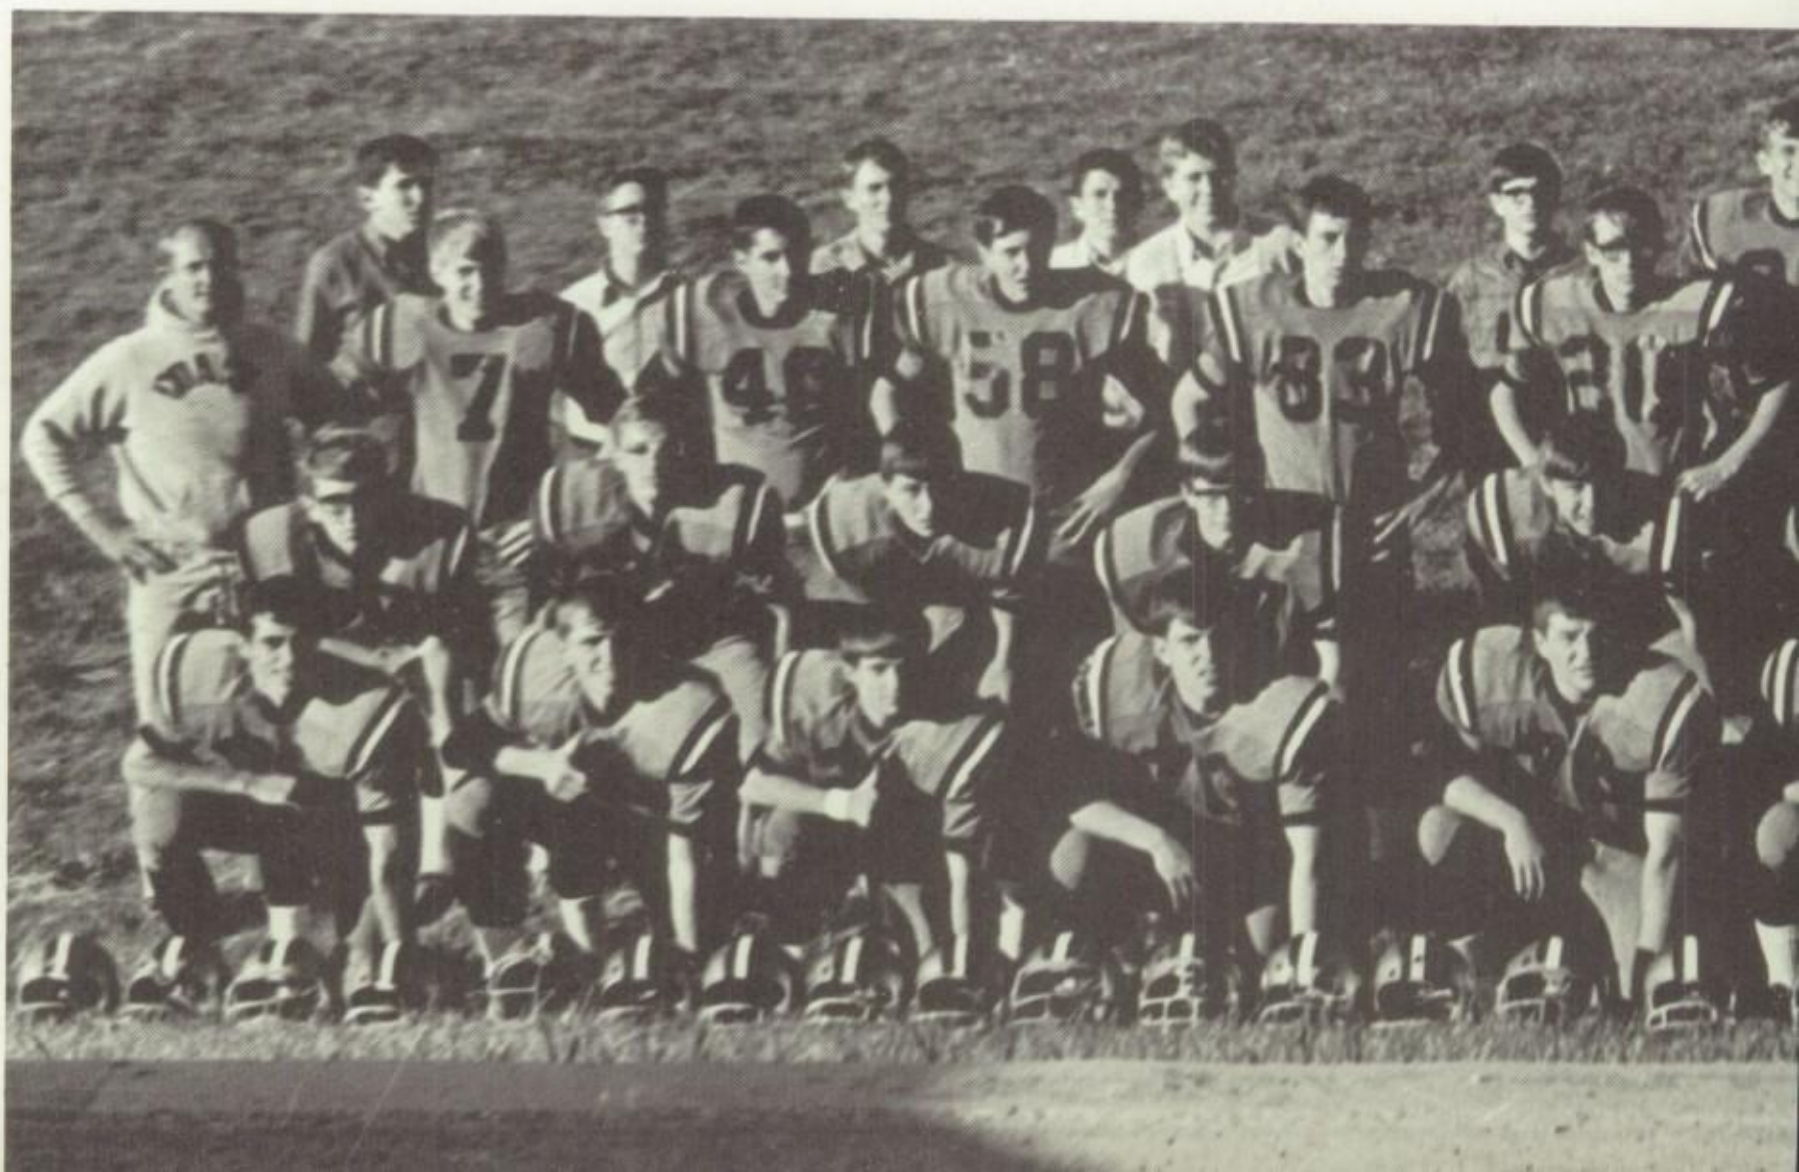

Coach Bruce Bowman ably led the Bears to a 3rd place standing in the East Kansas League.

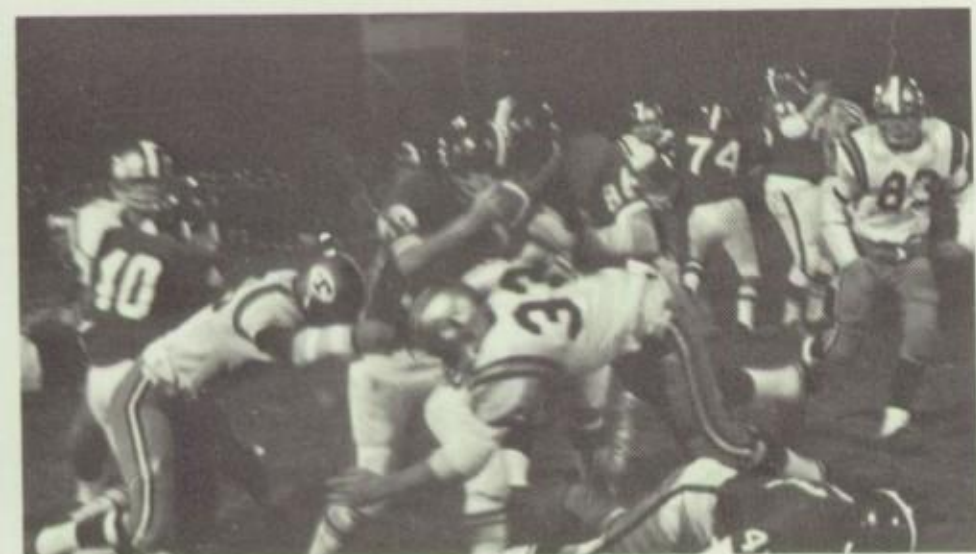

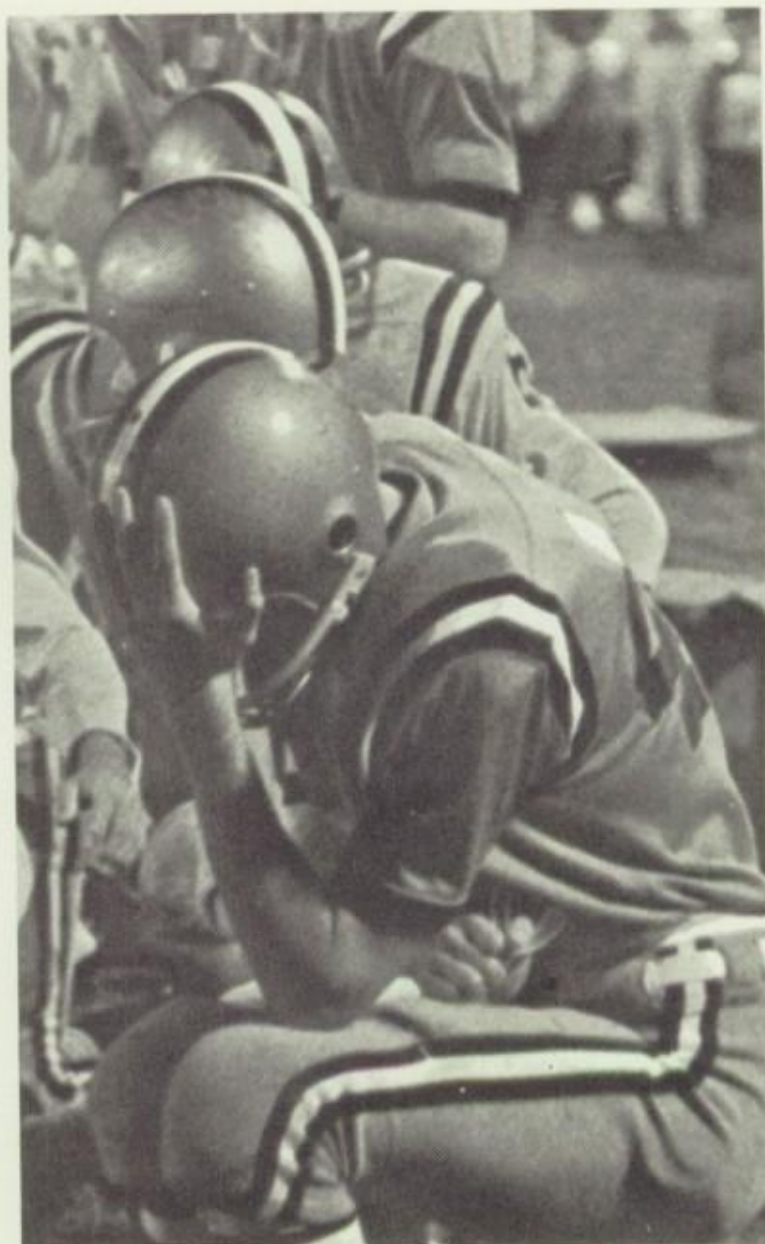

Although much of the Varsity squad was made up of seniors, Coach Bowman has great expectations for the juniors and next year's team.

Three seniors and two juniors were elected to the all E.K.L. team. They were Jim Wicinski, Tom Owen, Gary Taylor, Mike Pettey, and Steve Crabaugh.

Front row: M. Miller, T. Owen, T. Payne, G. Taylor, C. McWilliams. Second row: H. Eden, D. Shutt, D. Worthington, B. Wilson, N. Onstott. Third row: Mr. Johansen, J. Barclay, S. Meier, S. Fitch, B. Junior Varsity

This year the Junior Varsity football team was plagued with a losing streak. They did, however, make a comeback and they won their final game of the season to bring their win-loss record to 1-8.

The Junior Varsity was very weak in good players because most of them played Varsity. The sophomores added a big boost when they were able to move up. With this new strength the team was able to perform as a whole. The next year's Junior Varsity should prove to be a good team and there are high hopes for a winning season. Their coaches were Mr. Johansen and Mr. Kirkman.

The Junior Varsity football players are—Sharp, D. Lobb, S. Rice. Row two: R. R. Callahan, J. Stout. Row three: B. Hafner, R. Neighbors. Row four: R. Reiger, K. Hatch, Coaches were Roy .

Sophomore

Through the teamwork of many outstanding players the sophomore team finished a good season. Because of the heavy number of players going out, the coaches were able to select the best and use them.

A sophomore B team was formed in order to let everyone play. They also came up with a fairly good record. The most promising sophomore player was Steve Meier. The coaches for the season were Mr. Waugh and Mr. Minor.

The sophomore football players are—Front row: R. Murphy, Manager, R. Adams, D. Leeper, D. Hillhouse, C. Hatch, R. Neighbors, J. Baker, J. Shoemaker, D. Szczygiel, R. Grafton, D. Crabtree, E. Cross Country

The harriers started off the season with a string of three second place finishes: at the Olathe Invitational, at Rose-dale Park, and at the Ottawa Invitational.

Turner hosted its first Invitational this year on October 15, and the Bears were able to place second behind Miege. However, the most exciting and gratifying part of the season for the young harriers was their only first place victory of the season. This came at the League meet held at Ottawa on October 23.

The Bears then competed in the Cross County Regional meet held at Shawnee Park and qualified for the State meet by placing third behind Miege and second behind Highland Park.

The State 4A Cross Country meet, held at Wamego, proved to be the ultimate goal of the runners. Bill Collins, the only State champion, finished fifth place. The team as a whole placed ninth and the experience gained should be very beneficial for the 1970 season.

Mr. Jones, Cross Country coach, flashes a smile when he learns that his boys have qualified for State.

After much preparation for the 4A Regionals, the harriers proved to be qualified for State. After seeing David Mac Dougall and Steve Sterner come into the finishing chute, medals were handed out to Bill Tyson, Bill Collins, Steve Sterner, David MacDougall and Mike Tice.

Varsity Wrestlers

The 1969-1970 Turner High School wrestling squad under the new head coach, Mr. Kirkman, fought to a 3-2 win-loss record in dual matches in the E.K.L. and was 2-1 against the neighboring Sunflower League opponents for a season record of 5 wins against 3 losses.

In Tournament competition the Bears were sixth in the Bonner Invitation, fifth in the E.K.L. Tournament and sixth in the class 4A-5A District Tournament. For having five sophomores in the Varsity squad, the team as a whole did not do poorly in the tournaments.

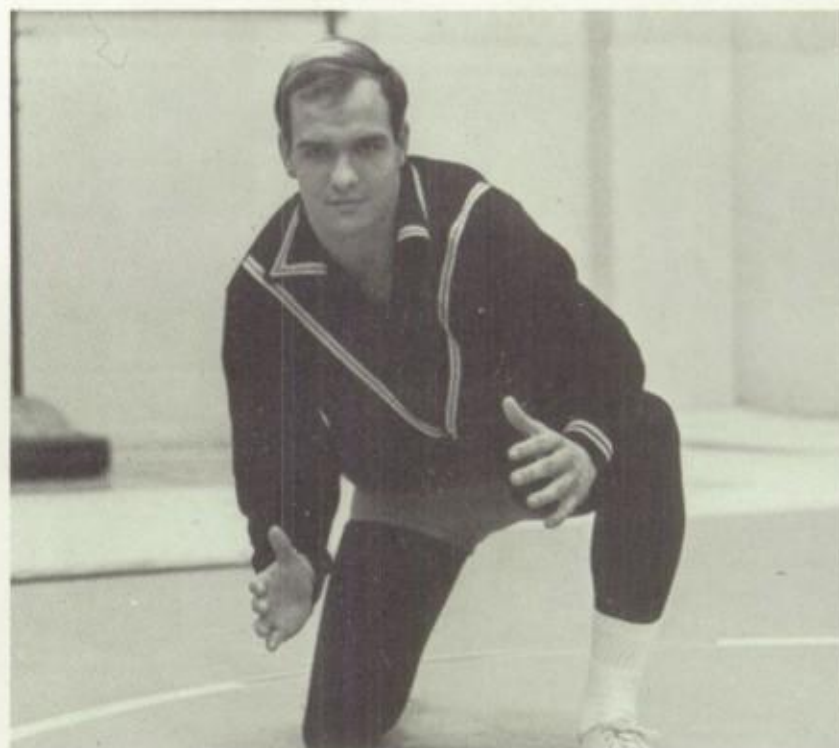

Mr. Kirkman was happy with the type and number of boys who completed the season and noted that the Junior class furnished more quality than quantity. Twenty-eight sophomores, four juniors and seven seniors finished the season out of some 70 boys who tried out for places on the team at various times. During the season five boys were lost on injuries including one outstanding junior, Mark Santoya.

The three seniors who really stood out were Greg Bell, Glenn Swisher, and Dick Reaka. Glenn was the high point scorer with 43 team points. Senior team captain Greg Bell tied with Dick Reaka in scoring 39 team points.

Junior co-captain and senior captain for next year, Danny Andrew, led the juniors with 22 team points while sophomore standout, John Smith, scored 38 team points to lead all sophomores. All five boys qualified for the 1969-1970 K.S.H.A.A. Regional Tournament at Manhattan.

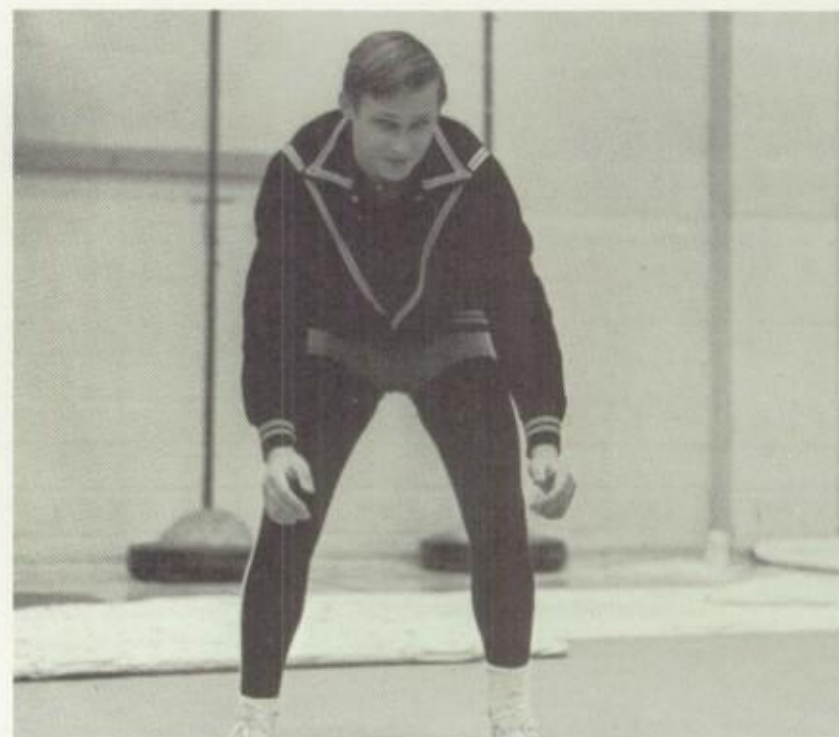

Coaches Kirkman and Johansen show their cool during a match.

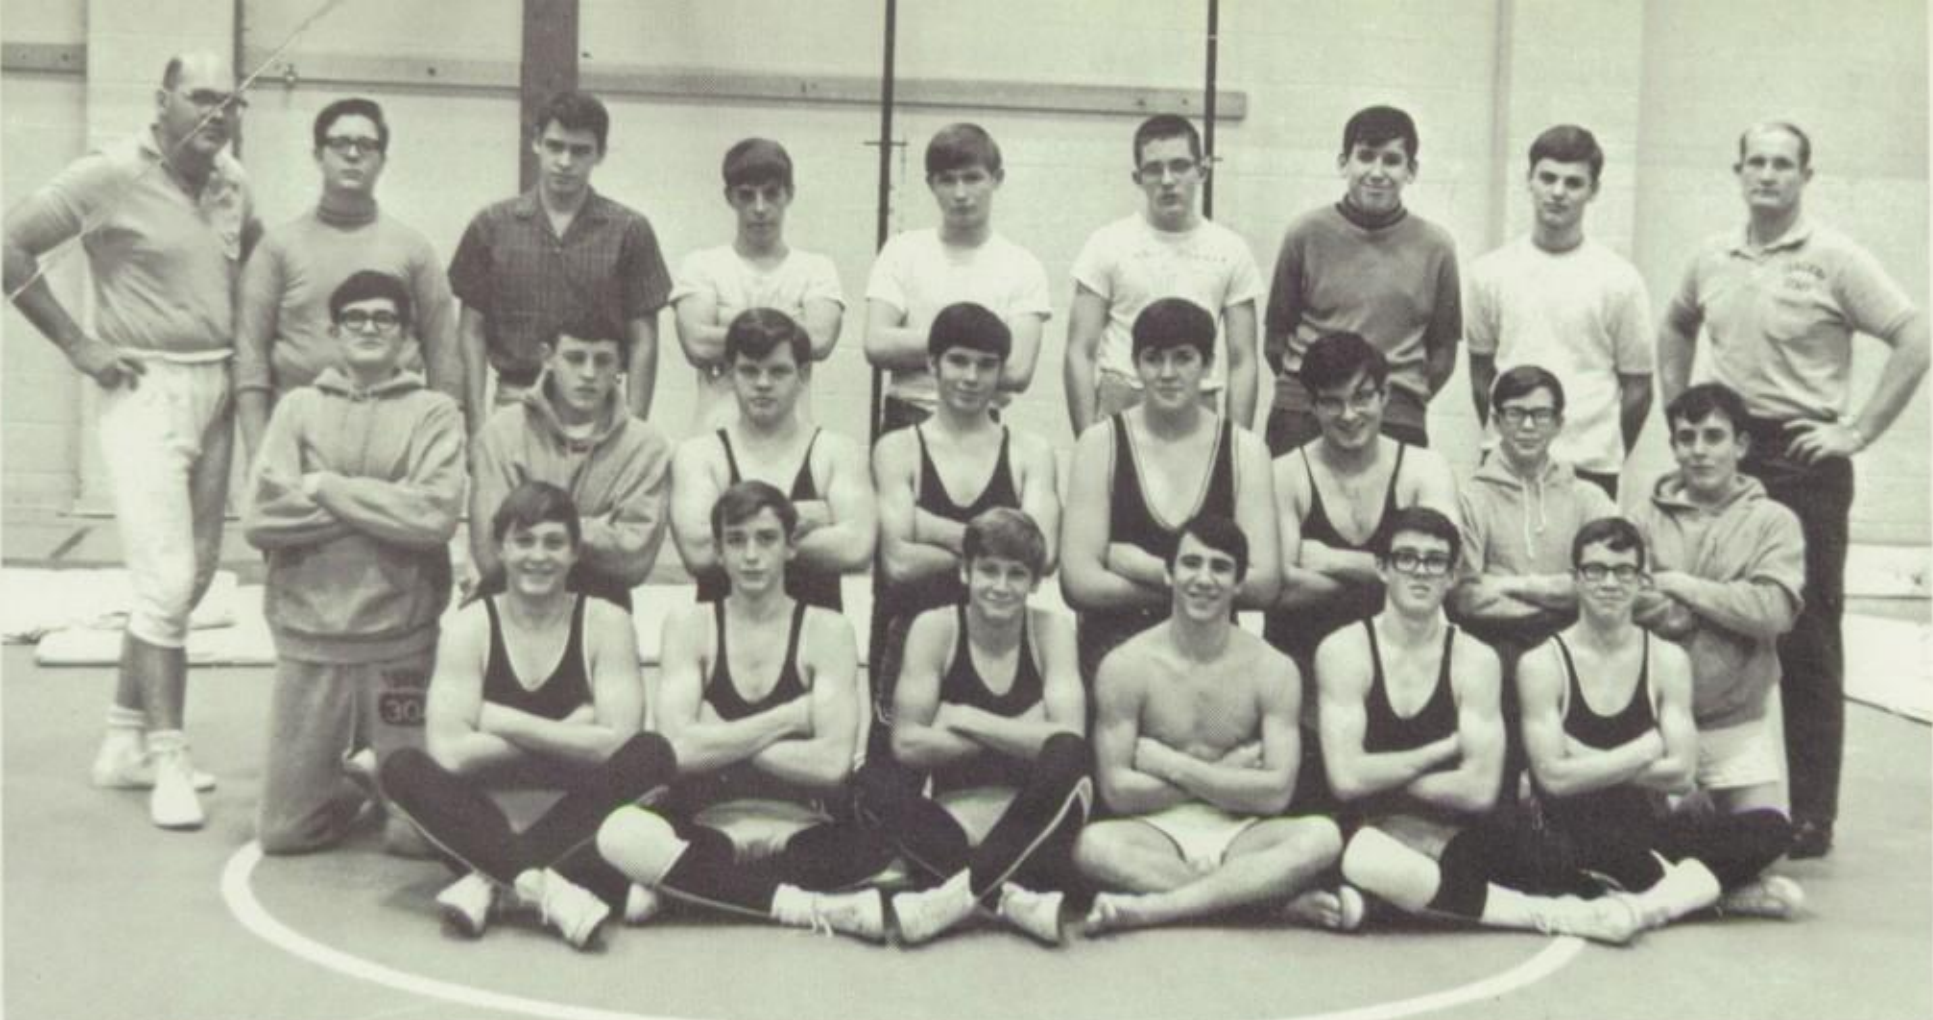

175 lb. Dick Reaka, Senior, 3rd Bonner Inv., 4th District.

185 lb. Clif Crozier, Sophomore.

HWT. Ron Purinton, Senior, 3rd Bonner Inv.

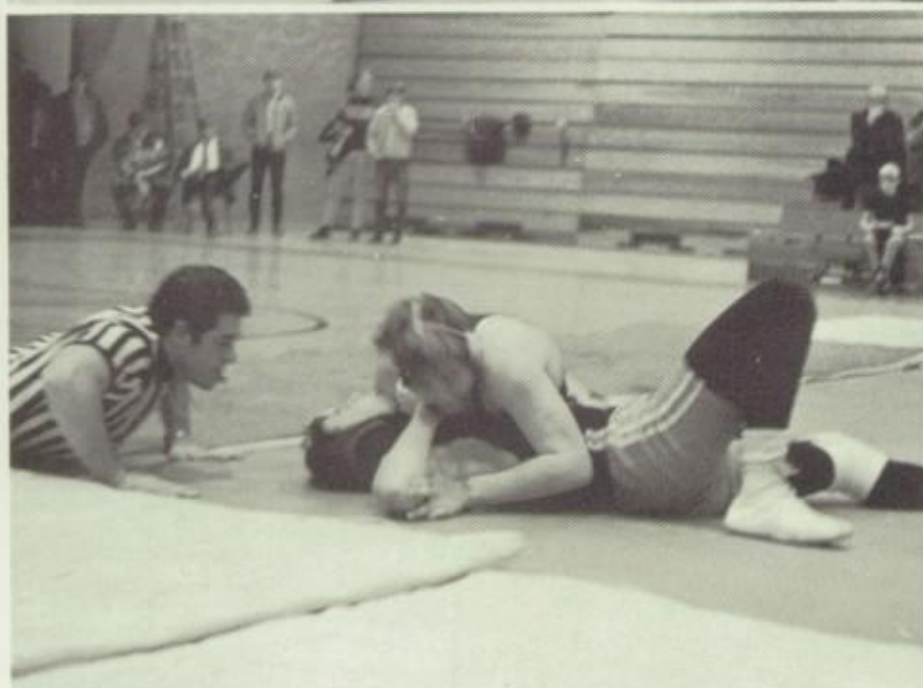

The Junior Varsity wrestlers are—Row one: R. Jones, R. Grafton, S. Shirley, R. Leeper, G. Bray, K. Cassidy. Row two: J. Fanguow, D. Hillhouse, R. Callahan, D. Scott, R. Hahner, J. Bartmess, K. Cassidy, B. Martin. Row three: Coach Kirkman, J. Rittenhouse, L. Wilson, G. Spence, J. Thomas, W. Turner, R. Main, R. Murphy, Coach Johansen.

Junior Varsity

The Junior Varsity, made up almost entirely of Sophomores, had a 7-2 dual match record. The two Junior Varsity wrestlers with the best records were Ross Grafton with 25 team points and Roger Jones with 22 team points.

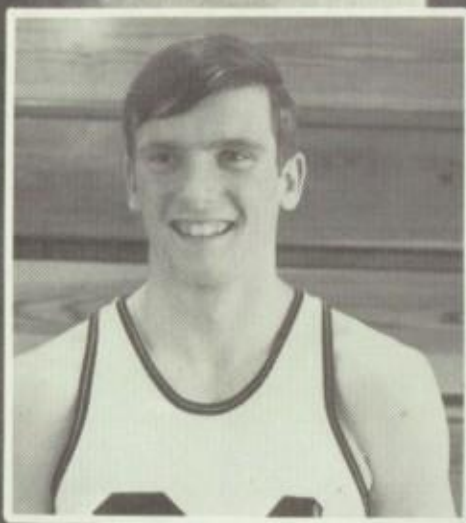

Coaches Johansen and Kirkman feel that they have prospects for a good team next year and a very good team the following year when the boys are experienced seniors. Wrestling managers were Jim Rittenhouse, Larry Wilson, Rick Main, and Rick Murphy.

Basketball

The bounding Bears, although hindered by a slow start, by midseason had begun to show the mettle of disciplined teamwork. The Bears were led by only two returning let-termen: Dennis Morrison and Cal VanSant, who both had a great season. The key to this season's success was the stall game. This method saved many games, and will probably save many more. The stall game was best used in the Ward game at the Leavenworth Tournament. The stall was put into use the second quarter, and stayed in use until the end of the game, which was three quarters and seven overtimes later. Turner's undaunted roundballers came from the wrong end of a first quarter 10-3 score to win the game 32-31.

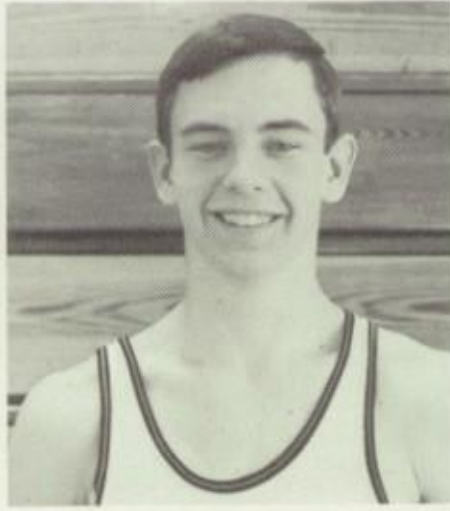

The cagers were paced by three other seniors: Lee Wilkins, Terry Payne, and Tom Barnett. The two outstanding juniors in the starting lineup were Mike Pettey and Steve Crabaugh. Steve proved a tough contender on the boards, and rough on his opponents. Steve Meier (super-soph) has proven to be a valuable asset to the team. He and Jerry Shoemaker rose from the lowly ranks of the sophomore team to rank as a near equal of the juniors and seniors.

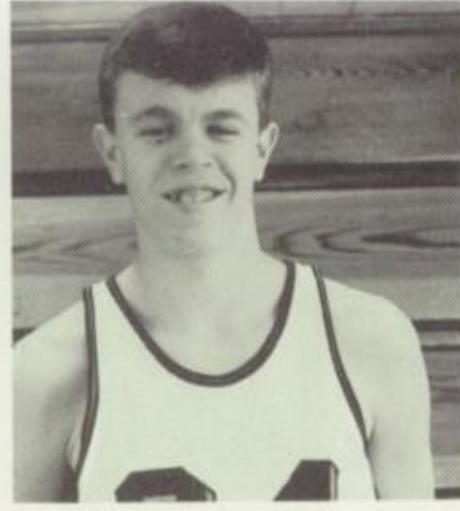

The boys burst through the victory hoop as the crowd cheers.

Junior Varsity

Despite a lacking over-all record of 4 wins-8 losses, the J. V. team is doing well in league play with four wins and two losses. A great depth of personnel make different starters possible almost every game. Meier, Barclay, and Shoemaker are all very promising prospects for next year. Fitch and Carlson also make a great showing but are not suiting up for Varsity. Mr. Waugh states that there are many outstanding players on the team this year. He also adds that basketball is a team sport, and cannot be played by individuals alone.

Coach Waugh counsels the J.V.'s during a time out.

Bill Edwards grabs the ball while Steve Meier, Don Fitch, and Rick Carlson move in.

Row one: Mark Schroppel, Steve Szczygiel, Jim Barclay, Jerry Shoemaker, Danny Huff, Steve Meier, Donnie Fitch, Jay Baker.
Row two: Cranston Horst, Bill Edwards, Carol Dugan, Bruce Downs, Rick Pringle, Rick Carlson.

Sophomores

The sophomore basketball record of 4 wins and 10 losses gives a slightly deceptive picture of the team. Turner defeated all but one of the E.K.L. schools played; losses came from schools of a much larger size.

Mr. Chuck Minor, coaching his first year at Turner, says he has no outstanding sophomore players, rather several are of equally good skills. There are also sophomores playing on the J. V. team and the Varsity B team.

The team is hopefully shaping into a future championship varsity squad.

Varsity Cheerleaders

The Varsity Cheerleaders were chosen last spring and spent one week during the summer at the International Cheerleading Foundation camp in Manhattan, Kansas, where they received the Grand Champion Award.

The Varsity Squad had the honor of judging cheerleader tryouts at the Junior College. The Varsity Cheerleaders were: Head Cheerleader Karen Greninger, Martha Cornelius, Beth Park, Pam Stirling, Debbie DeCoster, and Kara McClellan. Alternates were Nancy Torrey and Vickie O'Neal. The sponsor for the cheerleaders was Mrs. Janice Saul.

The Junior Varsity cheerleaders are—On top: Theresa Smith, Jody Butler, and Jan Holt. On bottom: Connie DeCoster, Becky Hilton, and Kim Haden. The J. V. cheerleaders were elected in the fall by the T-club, Pep club, and Student Council. The J.V. cheerleaders assisted the Varsity cheerleaders during the football season, and cheered at all J.V. basketball games and home wrestling matches.

Martha Cornelius receives assistance from her father Mr. Robert E. Cornelius.

Beth Park, football candidate, was elected the 1969-1970 Queen at Turner's 32nd annual football Homecoming. The game against the Bonner Braves, which took place on Friday October 17, ended in a 14-30 defeat for the Golden Bears. Prior to the game Student Council sponsored a parade, in which the band and pep club participated, to acknowledge the candidates and promote school spirit.

Beth and her court, Martha Cornelius, senior; Debbie DeCoster, junior; and Teresa Smith, sophomore, reigned at the dance held Saturday October 18, in the school gymnasium. The dance with it's theme of "Enchanted Forest" was well attended by many alumni. Music was provided by "The Spokesmen".

Mr. Legs

For the second consecutive year the Varsity Cheerleaders sponsored the "Mr. Legs Contest". Each class and both cheerleading squads, the Junior Varsity and Varsity, selected a candidate. Votes were cast during homeroom at a penny a vote and the student body was encouraged to vote as often as they wished. Proceeds of the contest were used to buy new uniforms.

Mr. Legs of 1970 was Terry Payne. Terry will reign over all boys' legs at Turner until the 1971 candidate is chosen.

To Terry Payne this is just another pretty leg.

The Mr. Legs candidates were: Richard Leeper, sophomore candidate; Terry Payne, Varsity Cheerleaders candidate; Bill Edwards, junior candidate; Jim Barclay, Junior Varsity Cheerleaders' candidate; Ron Rise, Senior candidate.

Mixers

Turner High School mixers are sponsored by Student Council under the direction of Mr. Worley and Mr. Syring.

Attendance at mixers was no better this year than last, despite a good start. The first mixer was a financial success so several others were hopefully planned but all mixers have lost money since.

There were five mixers this year, but the future for T.H.S. mixers looks bleak. Unless other ways of securing a profit are used, we may have seen the last of them this year.

You toss back your head, the guitar starts and you have rock.

Turner's theatrical season opened with TAoTA's presentation of Frederick Knott's **WAIT UNTIL DARK** on October 16 and 18, 1969. The audience was presented the concept of theater-in-the-round, a novelty to Turner. Some adjustments from the original stage directions were necessary, but all problems were solved and the play proved successful.

The story concerns the attempt by three criminals to recover a doll filled with narcotics, which they believe to be in the possession of Susy, a blind girl. Suspense builds until it reaches its exciting climax since Susy is completely unaware of the whereabouts of the doll or the importance of the doll to the three men who are willing to do anything to obtain it. Because her husband, Sam, is away on a business trip, Susy relies on her own resources and the help of Gloria, a little girl who lives upstairs, to outwit the evil designs of the men.

Special lighting effects were used in this play. At one point the stage was plunged into complete darkness while Susy attempted to escape Harry Rote, one of the criminals. Stage hands were vital also since props and lighting were so important.

Assisting, Mr. Wallace in **WAIT UNTIL DARK**, was Assistant Director, Rosemary (Cookie) Burris.

Behind the Scenes

A stage hand sets up props before the play begins.

Make-up is applied to Rick Walker for his role as Sam, Susy's husband.

Homecoming Queen Beth Park crowns Terry Payne Mr. T.H.S.

George Moore, Diana Gamble, and Miss Elizabeth Choplin congratulate Karen Greninger, Miss T.H.S.

Turnerite Ball

The Turnerite Ball became a reality again at Turner on December 6, 1969. After much thought and labor our gym became an elegant medieval hall with wall paintings and banners, and a large fireplace to one side. This was brought about with the cooperation of many people including the Yearbook Staff, Stu-Co, and Art Club. Many long hours were spent at school doing wall paintings and banners and at Cindy Steineger's garage working on the fireplace with Wayne Daniel as chief contractor and carpenter.

The music was furnished by the "Classmen", a well known local group.

A good time was had by all with the highlight of the evening being the crowning of Mr. and Miss T.H.S.

Tom Barnett, Prince of Charm, receives a congratulatory kiss from Beth Park.

The sound of "The Classmen" was one of the highlights of the Turnerite Ball.

A special dance is dedicated to the Turnerite Royalty.

Guests dance before the coronation of the Turnerite Royalty.

Bill Edwards, Connie DeCoster, Steve Crabaugh, and Dana Whistler take time to relax during a full evening of dancing.

Terry Payne defends his title of "Mr. T.H.S. 1970".

Terry Fritts, Prince of Fun and Mischief, receives congratulations from Patty Bradford.

Mr. and Mrs. Worley, Mrs. Bond, and Mrs. Spitser enjoy refreshments and a little conversation.

Turnerite Royalty

Princess and Prince of Achievement Pam Stirling and Greg Bell stand before the Oath of the Athenian City-State in Mayor McDowell's office.

Prince and Princess of Personality Marion Hill and Susie Kelley flash their personalities over a switchboard.

Princess and Prince of Athletics Vicki McClintic and Tom Owen suffer a toboggan ride in Pierson Park.

Prince and Princess of Promise & Success Hal Eden and Sue Palmer prepare for their successful future in the Kansas City, Kansas Public Library.

Prince and Princess of Charm Tom Barnett and Martha Cornelius drink in the view from the Top of the Towers.

Prince and Princess of Fun & Mischief Terry Fritts and Sara McBride horse around by a "joke" of a car.

Prince and Princess of Talent Tim Worthington and Ann Jones stand by the Statue Orpheus at the Music Hall.

Prince and Princess of Activities Dennis Morrison and Sandy Ashworth at what more active place than an airport?

The Turnerite Royalty Court pause for a moment in a busy school day to display the wit and charm which caused the senior class to choose them as candidates. They are: Cal VanSant, Lee Wilkins, Judee Laningham, Judy Luth, and Ron Rise.

The major point of the play was the building up of the house and the tearing down of it during a drinking spree. The result—A torn up house.

"When manure costs more than a sirloin steak, it makes you stop and think." That was one of the many witty comments from Annabelle Fuller in the play *GEORGE WASHINGTON SLEPT HERE*, given December 11 & 12, by TAoTA.

The opening statement concerned the state of affairs the family was faced with. That is, the Fullers had to take up residence in an abandoned farmhouse when Mr. Fuller decided to move to the country. The house was one of those old stone houses that go back to Revolutionary days and it had evidently seen much better ones than the present. The plaster had come off the wall in great patches; one window had been roughly boarded up, and it was clear that no one had lived there for quite a long time.

So that was where the Fullers found themselves. Mr. Fuller had to commute into town, Annabelle had to put up with nagging relatives and they found themselves short of money. However everything did work out in the end with the announcement of an impending hurricane.

Annabelle Fuller questions why all the trees have to be sprayed for the Japanese Beetle.

A break in the rehearsal occurs when Mike Murphy pauses to look over his lines.

El Gallo sings "Try To Remember."

Matt and Luisa sing a scientific love duet across the wall that separates them.

The Fantasticks

The calm before the storm.

The 1969-1970 musical, THE FANTASTICKS by Tom Jones, was given February 19 & 21 by TAoTA. Mr. Wallace directed and Becky Billings was his assistant. Betty Richards, piano, and Mike Murphy, drums, were the accompanists. No scenery and a minimum of props caused this musical to differ from the chorus productions of the past. This was the third straight musical with Pam Stirling, senior, cast as the female lead; Tim Worthington, senior, made his second performance in a Turner musical.

The story of THE FANTASTICKS concerns two fathers attempts to make sure their children fall in love. The fathers "create" a feud and after Luisa and Matt, their children, fall in love they end the feud with a staged abduction by El Gallo. The boy's triumph over the abductors results in a happy ending for all. But soon the romanticism begins to wear thin. The fathers quarrel; the lovers break-up; and Matt sets out to see the world.

The fathers make up and again El Gallo appears to woo Luisa and fill her with promises of a romantic world, then he deserts her. Matt returns disillusioned with reality. Both have been hurt and they reunite in a simple and unaffected way.

"This plum is too ripe."

Valentine's Day

The 1969-1970 Turnerite Staff and T-Club sponsored the first Miss Sweetheart-Knave of Hearts Contest.

There was no grade requirement for the contest and each class nominated a boy and girl. T-Club sponsored Martha Cornelius and the Turnerite Staff sponsored Jim Wicinski. Class candidates were: Connie DeCoster and Dick Leeper, Sophomores; Julie Weathers and Bill Edwards, Juniors; and Susie Kelley and Gary Taylor, Seniors.

The student body voted by giving pennies at lunch and during home room. They voted as often as they wished.

Miss Sweetheart 1970 and Knave of Hearts 1970 were Julie Weathers and Dick Leeper.

Dick Leeper, Knave of Hearts 1970, and Julie Weathers, Miss Sweetheart, 1970 display their prizes.

Connie DeCoster, sophomore candidate for Miss Sweetheart, comes forward to take her place in the front of the gym.

Connie DeCoster, Dick Leeper, Julie Weathers, Bill Edwards, and Susie Kelley wait as other candidates are called from the audience.

Jim Wicinski, Martha Cornelius, Gary Taylor, Susie Kelley, Bill Edwards, Julie Weathers, Dick Leeper, and Connie DeCoster await the announcement of Miss Sweetheart and Knave of Hearts.

Student Life

The orange drink in the cafeteria sure packs a wallop.

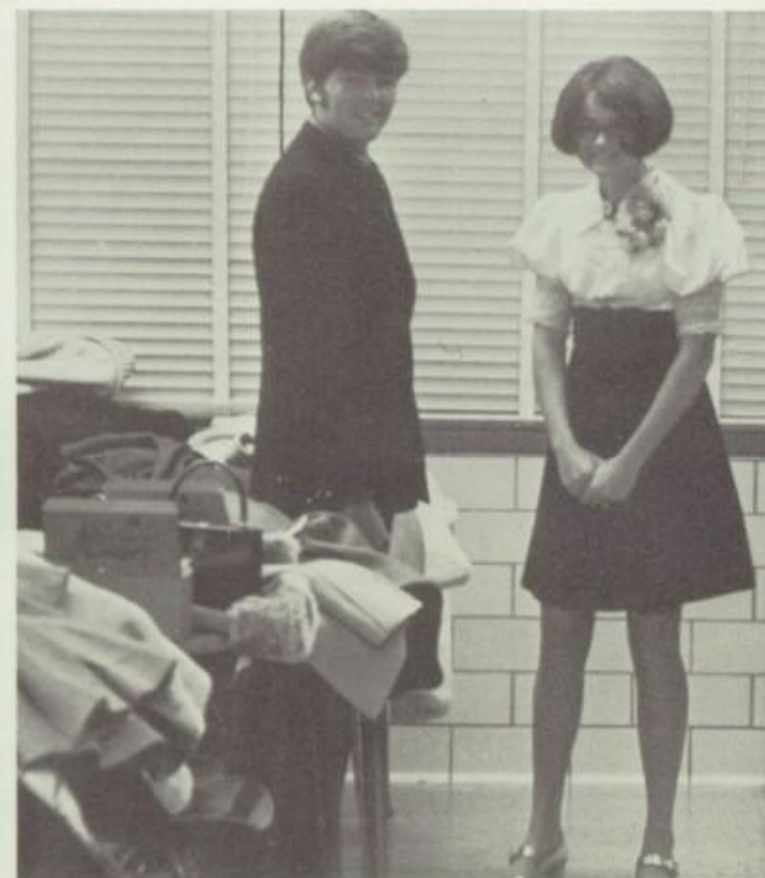

But golly, coach, this is my best shot!

And here's one for Miss Peterson!

So this is what they call an orgy!

Uhh, where did you say the dance is?

And in this corner . . .

That's a _____ of an Egyptian chorus line.

WASHINGTON, D.C. 20202

September 29, 1969

President Nixon has asked me to extend his warm greetings to the students and faculty of Turner High School through its yearbook, TURNERITE.

This is an exciting time to be a young American. The challenging years immediately before us offer your generation unusual opportunities to develop and enlarge the great traditions of liberty and justice which have guided the progress of our Nation. We look with confidence to you to bring us closer to the realization of the full promise of America.

My best wishes to all of you as you complete your high school years and enter upon the proud adventure of full partnership in our democracy.

A large, stylized handwritten signature in blue ink, which appears to read "James E. Allen, Jr.".

Mrs. Bond*

Love 6th hour.

You may think we're crazy;
But really, we're the wisest.
'Cause we're not all alike
We come in ASSORTED SIZES!

Renee Brus '70'
Gay Hanna '70'
Kay Guss '70'

Class of '70'
During '69' you all stood tall
But we didn't mind at all.
We all knew you played fake,
So the '69'ers' would give you a break.
What will they say
When they hear the way
You sucked up to us when they went
away.
Good-bye '70' Loree Sandie

The five boys to go to Regionals this year are Glenn Swisher, Danny Andrew, Dick Reaka, John Smith, and Greg Bell.

Wrestling

The 1969-1970 Wrestling Bears ended a fine season by sending two boys to State. Greg Bell, Sr., and John Smith, Soph., traveled to El Dorado on February 21 to compete with boys from 4A and 5A schools all over Kansas. Even though they did not finish in the winner's bracket, they did do a good job.

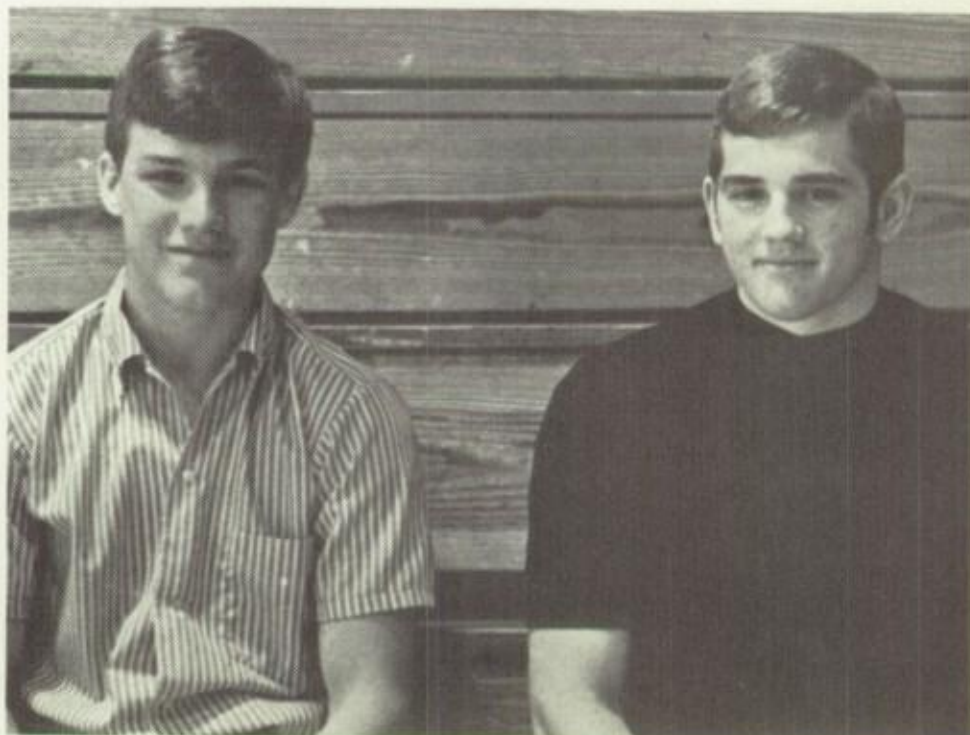

Two weeks before State finals the whole varsity team went to Washington High School for the District Tournament. The five boys to qualify for the Regionals were: Greg Bell, Sr., Dick Reaka, Sr., Glenn Swisher, Sr., Danny Andrew, Jr., and John Smith, Soph. On February 14, the five boys and Coaches Kirkman and Johansen journeyed to Manhattan, Kansas for tournament action. Greg Bell and John Smith qualified and from there went to State.

Next year's team should be very good because of the many returning lettermen. John Smith proved himself to be one of the most outstanding wrestlers.

Greg Bell puts his opponent into a 'Kansas ride' at District.

Kirkman and Johansen anxiously watch one of the matches.

The two State finalists this year are John Smith and Greg Bell.

Basketball

Meier evades the opposition and charges down court.

Dennis Morrison lops his famous shot high over the heads of Argentine roundballers.

Argentine players trap Cal VanSant in a vain attempt to take the lead.

The 1970 Golden Bear's basketball campaign concluded with a 10-11 record. The brave Bears, led by tri-captains Dennis Morrison, Cal VanSant, and Lee Wilkins, captured two trophies for Turner's collection. Turner was awarded fifth place trophy at the Leavenworth Tournament.

In regional play, the Bears scratched the Argentine Mustangs, 59-53, then tackled Miego for the championship. From a one point disadvantage at half time, Turner's cagers gained a 49-41 lead with 7:21 left. But Miego refueled and, despite a Turner layup in the last 4 seconds, clinched the game 64-63.

Dennis Morrison and Steve Crabaugh were chosen for the E.K.L. team.

Steve Crabaugh and Dennis Morrison, captain, both named to the E.K.L. team, present the consolation trophy from Leavenworth and the second place E.K.L. trophy to Mr. Wilkins in an assembly. . . Lee Wilkins, captain, and Cal VanSant, captain, stand by.

Track

Under the leadership of Joe Baker, who is finishing his last year as head coach, the 1970 track team finished the season by taking fourth in the E. K. L. meet at Argentine. Nine boys placed at the league meet and were then able to attend the Regionals at Shawnee Mission North, May 8. The 880 relay team consisting of Jim Stout, Steve Crabaugh, Mike Pettey and Steve Meier, plus runners Bill Tyson and Bill Collins then went to the State meet at Wichita State University, May 14 & 15.

Bill Collins, junior, the most promising runner, finished an outstanding season by winning two gold medals: one at the E. K. L. meet and one at the regional tournament. He also set a new school record in the two mile run. The 880 relay team also nailed down the top spot at regionals and won a silver medal at E. K. L. Jim Stout, junior, won two bronze medals in the 220 and a bronze in the 100 yard dash. In his first year on the team, Bill Tyson, sophomore, received two bronze medals in the 880 yard dash.

Mr. Jones and Mr. Martin also helped in the coaching of the track team. The squad consisted mainly of juniors with a few seniors and sophomores. With many returning lettermen the team of 1971 should be a winner.

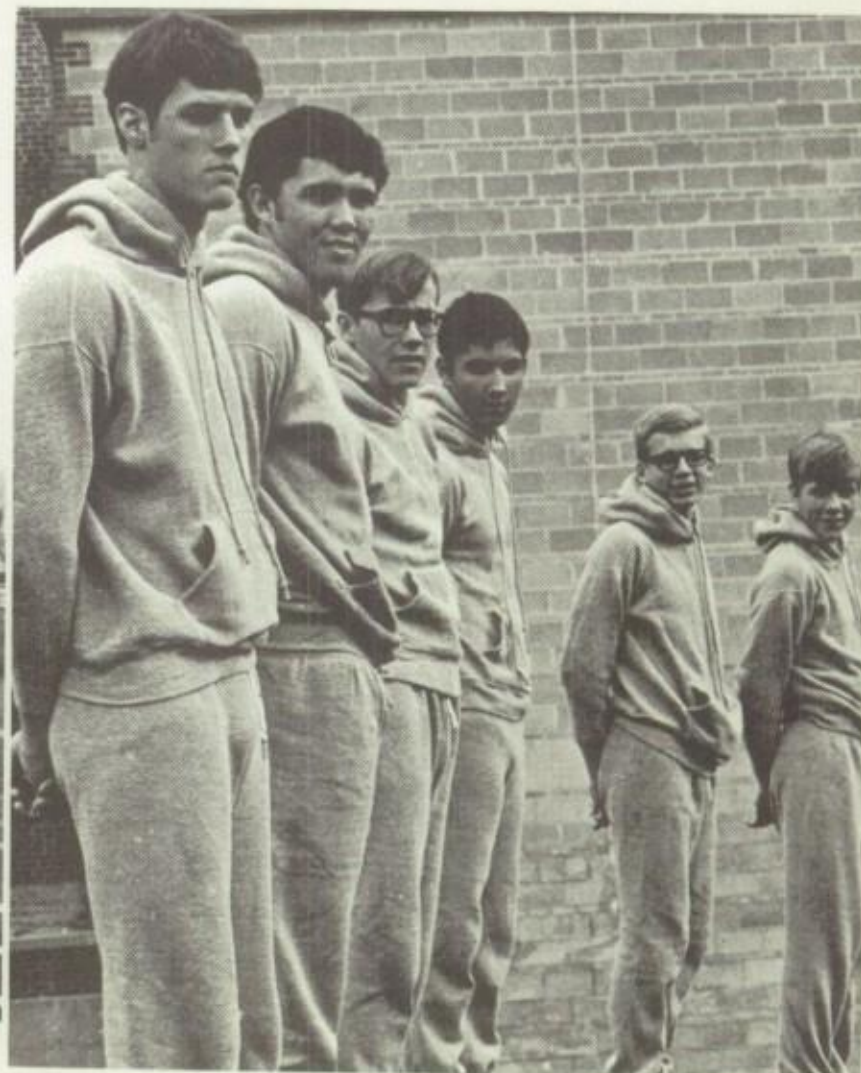

The boys who went to the Regionals at S. M. North, May 8, were: Row one: S. Crabaugh, J. Stout, M. Pettey. Row two: M. Powlas, B. Tyson, B. Collins. Row three: D. MacDougall, S. Meier, S. Sterner.

The boys who made it to the State meet at Wichita State U., May 14 & 15, were J. Stout, S. Crabaugh, M. Pettey, S. Meier, B. Tyson, and B. Collins.

The 880 relay team comes into the finish.

The 1970 Track team consisted of: Row one: E. South, manager, R. Miller, R. Leeper, B. Tyson, S. Burke, D. MacDougall, J. Shoemaker, G. Bell. Row two: R. Grafton, W. Turner, M. Powlas, D. Turner's 1970 golf team, consisting of Allen Deviese, Steve Shirley, Bob Bryan, Lee Wilkins, Troy Peck, Denny Brown, and Tim Cummings, demonstrate swings on the practice field behind the school.

Troy Peck swings with the ability that earned him the title of low man for most of the season.

Golf

Of the six golf matches this season, Turner clubbers captured one second and four fourth places. They received two of the fourth places at the EKL meet held at Olathe, April 27, and at Ottawa, April 29. Troy Peck, sr., finished eighth in the EKL with a score of 174. Another outstanding Turner golfer was Lee Wilkins who had 176. Denny Brown, jr., ended the season with a score of 187, just one point above junior clubber Bob Bryan's score of 186. Considering the competition, Coach Johansen felt they had a fairly good season.

Lee Wilkins, another senior member of the team, lagged only two points behind Troy Peck and, unfortunately, neither of them will be returning.

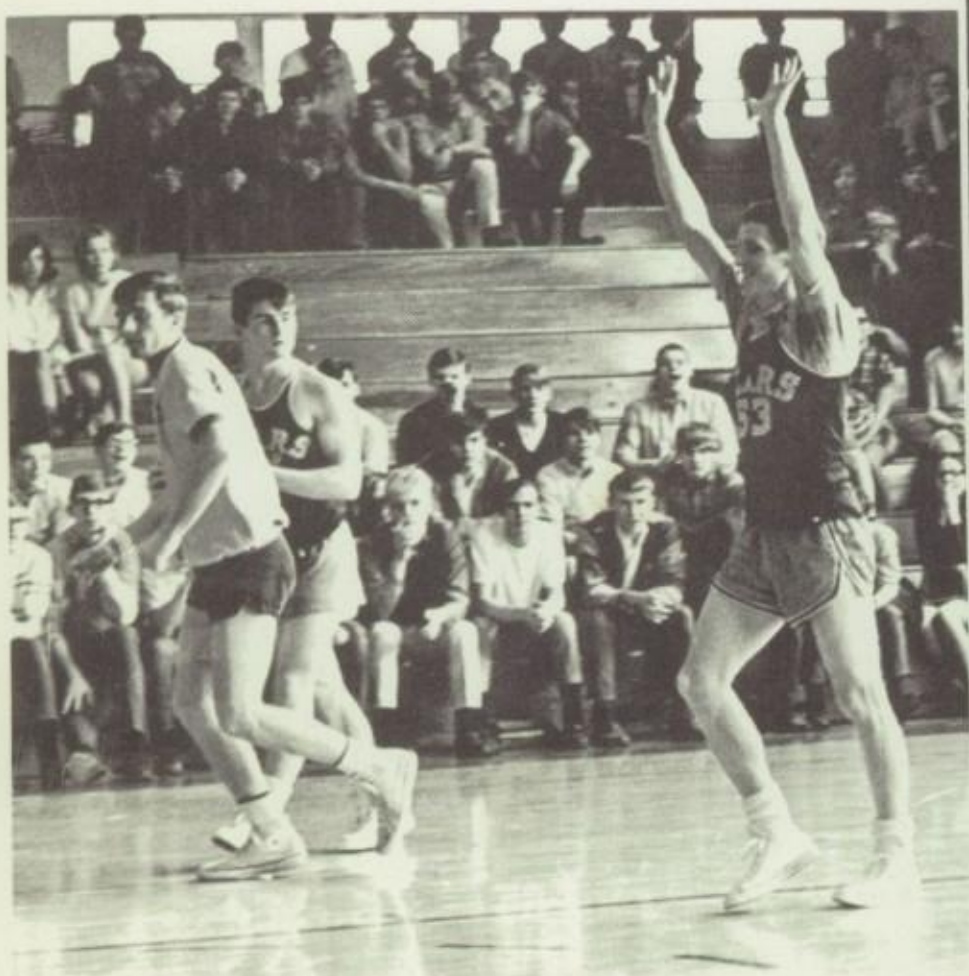

Mr. Jones chuckles as the referee calls a foul against the T-Club team.

Faculty—T-Club Game

The annual T-Club-Faculty basketball game provided entertainment for all. The final score, 55-22, wasn't taken badly by faculty fans . . . after all, the game WAS played on Friday the 13th.

Cal comes up once again with something that is over Mr. Minor's head.

Put your arms down, Mr. Jones, you're losing friends (?).

Spirit Week

Spirit Week at Turner was held March 2-7, the week of the Regional basketball tournament. Special observance for each day was set by Student Council and Mr. Wilkins.

Monday was dress-up day and student government day. Cal VanSant, senior, was elected principal; and Steve Burke, junior, was elected vice-principal. Sophomore, junior, and senior counselors were Danny Huff, Melinda McCutcheon, and Carol Fry. In each class students were elected to be the teacher for the day.

The days set for the rest of the week were Tuesday—Baby Day, Wednesday—Mod Day, Thursday—Clash Day, and Friday—Black and Gold Day. A pep assembly was held Friday in which everyone wearing black and gold attended. Turner met Bishop Miede for the regional final that night, Turner was defeated. Spirit week concluded on Saturday with the third annual G.P.A. dance.

Teachers' Talents

Students caught a glimpse of the "talented" facets of their teachers' personalities as the usually serious models of respectability turned into delightfully entertaining clowns at the Turner Teachers' Talent Show.

As Mr. Barry Wallace, speech teacher and narrator of the show observed, "We may look pretty dumb up here, but look at you students! You paid a quarter to see us!"

Highlights of the sketches included Mrs. Mary Spitzer portraying the nasal-voiced telephone operator of "Laugh-in", Mr. Stephen Earle as an enthusiastic Tiny Tim, and principal Mr. Robert Wilkins as "da Judge."

Aptly cast as a chemist, Mr. Bruce Bowman astonished the student body when he announced to Mrs. "Shy Cheryl" Osborn that they were going to "create life" on the stage. Naturally, the perfect teacher they whipped up with their chemicals and the aid of a "headache ballet" sung by Mr. Klassen, was Mr. Gale Jones.

These and many other members of the faculty presented their skits for the benefit of the National Honor Society.

Display '70

April 24, 1970, marked a mass show of talent with the opening of "Display '70'."

The Home Economics department, headed by Miss Grosdidier, provided not only entertainment, with 2 style shows, but also refreshments for the evening.

Displays including paintings, water colors, sketches, pottery, sculpture, and jewelry gave art students a chance to express their artistic abilities.

Industrial areas offered those in attendance a look at line and mass produced items, contracted group products, student presentations, and various equipment and techniques used in the classroom and show.

Teachers and students involved were pleased to see so many interested people attend.

Mary, Mary

The Turner stage came to life once more for T.A.O.T.A.'s 3rd play of the year. MARY, MARY, by Jean Kerr, is a delightful comedy about Bob, a writer, and his wacky ex-wife, Mary. The plot was complicated with the appearance of Tiffany, Bob's girl friend, who concentrates all of her time into making health food for poor Bob. When Bob and Mary get together to work out their income tax, Bob finds that she has changed. She has even become more appealing to men, such as Dirk, the egotistical movie star.

Casting problems resulted when three people dropped out of the play. This led Mr. Carpenter to take the role of Bob. Rehearsals conflicted greatly with other events such as the State Speech and Drama competition . . . also, the actors were hampered by illnesses from the beginning of rehearsals through the last night of the show.

The first play under the direction of Mr. Carpenter, was excellent in its presentation despite the many problems.

Bob, at the beginning of the play, is a man happily engaged to Tiffany.

Becky Billings and Mr. Carpenter prepare for their roles in MARY, MARY by applying make-up.

Meeting to straighten out Bob's income tax, Mary and Bob find their reunion difficult.

Further complications set in when Dirk arrives and becomes interested in Mary.

At last Tiffany and Mary meet to Tiffany's delight and Bob's chagrin.

Though he wants to win Mary back, Bob, after taking an overdose of sleeping pills accidentally, finds it hard to stay awake to do this.

Hard at work, juniors paint scenery which extended around the gym.

Brenda Myers and Becky Stirling arrange flowers in the cart.

Jr.-Sr. Prom

The 1970 T. H. S. Junior-Senior Prom took place amidst the atmosphere of "Les Trottoirs de Paris", (The Sidewalks of Paris), on the evening of May 2.

After touring the sidewalks of Paris, everyone danced to the music of Tommy and the Derbys.

The Prom was a great success, largely due to the efforts of Mrs. Elliott and a committee comprised of 67 juniors. Miss Leatherberry, technical advisor, helped the workers obtain the perfect Parisian effect.

Careful construction of the fountain provided Prom guests with the sight of running water.

Sophomores, who volunteered to serve as waitresses, anticipate the arrival of guests.

Across the bridge and past the fountain, students enter the sidewalks of Paris.

"It's sooooo pretty."

"Which way to the punch?"

Becky Smith and Ron Rise flash smiles as they pose for photographers from DeCloud studios.

Nancy Torrey and Jim Barclay greet guests with smiles.

Music

On April 3 and 4, members of band and vocal music journeyed to Lawrence, Kansas, to compete in the 4A-5A State Music Festival.

The band, first to represent Turner, received the best ratings it has ever gotten. For playing two prepared selections before three judges, the band received a 2 and for sight reading, a three piece number before one judge, another 2 was given. In future contests, Mr. Hamilton hopes the band will get a 1 which is a perfect rating.

After the band, the Choir performed and they received a 2 for prepared selections and a 2 for sight reading.

On the second day of contest, individual soloists and groups performed. Those going from the band were: Bill Collins, jr.; Paul Ulasien, jr.; Gary Winegar, soph.; Elaine May, jr.; and Jim Diehl, jr. They all received 2's for their playing.

The vocal music dept. had one soloist who rated a 1. He was Bill Sandburg, a sophomore. The others who went were: Robin Mailberg, soph., 2; Becky Noble, soph., 2; Melvin Bryant, jr., 2; Garry Rickey, jr., 3; Terry Fritts, sr., 3, and Roger Beets, sr., 3.

The girls double trio received a 2 for their singing, and the clarinet quartet got a 1 later that day. All in all, it was a very successful year for the music department.

The clarinet quartet consisted of Elaine May, Jennifer Southern, Mary Neighbors, and Linda Lawhorn.

Becky Billings was chosen as the 1970 bandsman of the year. Her name was inscribed on the John Philip Sousa award plaque which was presented to her at the May 12 concert.

Choir members prepare to robe for their performance in the State Music Festival.

The party goes on while Gary Taylor and John Crowley split the scene.

Glenda Dobson and David Camp read the prophecies of the seniors in 20 years to come.

Sr. Assembly

From the exhausting efforts of a few students, the senior assembly was presented May 7 in the afternoon. Under the cool, collected eyes of Mrs. Bond and Mrs. Spitsner, the whole assembly was formulated during many nights after school.

Mrs. Bond supervised the Will and Prophecy. Helping her with the Will were Sandy Ashworth, Joy Littlefield, Linda Becker, Teri Robertson, Vicki Jacobs, Lydia Laningham and Nancy Potter. Those working on the Prophecy were Kathy Crabtree, Glenda Dobson, Judy Smith, David Camp and Marion Hill.

Mrs. Spitsner helped with the Skits and Talent. Those who helped write the skits were Judy Luth, Cassie Myer, Renee Brus, and Judy Laningham. Dick Reaka took it upon himself to arrange the talent together and to get the NICKEL PLATE ROAD to play. These were only the few students who helped in the making of the assembly and there were many more who participated.

"It's seniors that make Turner High so different!"

Sandy Ashworth and Joy Littlefield read the WILL to everyone's enjoyment.

At the end, the seniors sing their farewell song.

Graduation

The school year was officially brought to a close for seniors with the final ceremonies, Baccalaureate and Graduation. May 17, 1970, a solemn air fell over the T.H.S. auditorium as the graduating class of 1970 attended Baccalaureate services. After the processional, played by Miss Mildred Cunningham, Dr. S. Mancil Bell of the Metropolitan Avenue United Methodist Church opened the service with a prayer. Reverend C. William Nichols of the Central Christian Church delivered an address. Dr. Bell then closed the services with the benediction.

Commencement exercises, held at Memorial Hall, began after many behind-the-scenes happenings. Seniors were to meet upstairs on the third floor at 6:00. After much shouting and confusion, Mrs. Bond and Mrs. Spitzer, senior class sponsors, had the graduates ready for their parts in the ceremonies.

The graduating class marched to the processional played by the T.H.S. band, under the direction of Mr. Hamilton. After the invocation, by Reverend Gary Grogan, and Pledge of Allegiance, the band provided special music, with senior Dick Reaka, as narrator in the song "Ceremony of Allegiance." Terry Payne presented the remaining half of the senior gift, a scoreboard, which was bought through joint efforts of the senior class of 1969 and 1970. Sally Waugh, salutatorian, gave an address in reply to the song, "Who Will Answer", entitled "The Individuals Will Answer." Sue Palmer, valedictorian, challenged her classmates with a speech entitled "Our Hope for Future". After the Superintendent of Schools, Mr. Wallace Smith, expressed his congratulations to the class, diplomas were presented to the seniors.

The future lies ahead.

Sue Palmer was selected as the valedictorian for the 1970 senior class.

The salutatorian was Sally Waugh.
